A HERITAGE OF QUALITY AND INNOVATION THAT STRETCHES ACROSS NORTH AMERICA.

by Starcraft

For more than 107 years, Starcraft has built a heritage of quality and innovation that stretches across North America. We're especially proud to have earned the loyalty of serious fishermen who take on the challenges of big water and rugged weather — anglers, who are the last ones in each winter and the first ones out in the spring. For our 2012 lineup, we have renewed our commitment to big water fishing with series that offer deep V-hulls, spacious floorplans and all the best features so you can fish like a pro. These are serious boats for serious sportsmen. And at a Starcraft dealer, they're waiting for you.

HERITAGE YOU CAN COUNT ON.

Today's Starcraft is a company run by the same family that started it all back in 1903, with durable galvanized steel rowboats. During the 1950s, Arthur Schrock helped pioneer the manufacture of aluminum watercraft, beginning a long history of continuous improvements to aluminum hulls and a dedication to providing superior boats for serious fishermen. Four generations of the Schrock family have helped lead the industry in quality and innovation — and most importantly, value. There's a sense of pride at Starcraft that you won't find anywhere else. Pride in our boats and pride in backing them up. A commitment made from our family to yours.

the power of choice

STARCRAFT

Only Starcraft allows you to combine the broadest model lineup with your choice of the world's top five engine manufacturers to create the very best boat for you.

THE STARCRAFT DIFFERENCE.

CONSTRUCTION

Starcraft fishing boats are as tough as the die-hards that rely on them. That's because we turned to the pros for advice. Both our aluminum and fiberglass fishing boats are designed and built with input from professional fishermen – the guys who are out there every day and know what it takes to be a winner.

Starcraft fishing boats are NMMA Certified and meet or exceed all U.S. Coast Guard requirements. But we take it even further. Our fiberglass boats are painstakingly constructed to the most exacting standards for industry-leading quality and rugged durability. And, we only use the toughest aluminum out there – 5052 H34 marine grade – so our aluminum boats resist dents, dings and corrosion. Finally, we apply a multi-step painting and finishing process to every boat we make, so you look good while you're reeling them in, season after season.

CSI AWARD OF EXCELLENCE

Starcraft is honored to be a recipient of the NMMA CSI Award for Excellence in Customer Satisfaction for aluminum fishing boats. We dedicate the recognition to Starcraft owners across North America who inspire our ongoing commitment to quality and innovation.

FOLLOW US TO THE LEADER BOARD

ASK YOUR DEALER ABOUT AVAILABLE FACTORY-INSTALLED OPTIONS SUCH AS TROLLING MOTORS, SONAR UNITS, GPS, KICKER MOTORS AND ROD TRACKS

FIBERGLASS CONSTRUCTION

- MARINE GRADE 18 OZ. CARPET AND UPHOLSTERY**
designed to look great and last for years
- SELF-DRAINING COCKPITS**
help keep the interior dry, even in rough water or from sporadic rain or showers
- FULL FIBERGLASS LINER**
is installed inside the hull for added strength and great looks
- LARGE BOW CASTING DECK/BENEATH FLOOR STORAGE COMPARTMENTS**
in the bow give you plenty of room to maneuver when fishing and store tackle beneath no matter what freshwater species you are targeting
- SPACIOUS COCKPIT AND AFT STORAGE**
gives you plenty of room to store your tackle and equipment as well as a large area to fish without feeling confined
- FULLY INTEGRATED BOW IN DECK PRO-STYLE ROD LOCKER**
With the ability to store up to 10-plus fishing rod and reel combos with room to spare beneath the rod support storage system
- LARGE 54", 32 GALLON AFT LIVEWELL & PORT BOW BAITWELL**
Plenty of room to keep your fish alive and your bait fresh
- 24 OZ. WOVEN ROVING FIBERGLASS**
is used with a 6-inch overlap between the hull and deck for enhanced strength and a tight fit
- 22 MILS ISO-NPG GEL COAT**
is applied after the woven roving fiberglass for even more strength and durability
- FOAM INJECTION**
the proper amount of fiberglass foam installation is injected throughout the entire stringer system
- INTEGRATED STRINGER SYSTEM**
provides unmatched strength and durability – its components are encapsulated in fiberglass for enhanced protection and longevity

FIBERGLASS WARRANTY

Starcraft offers a variety of outstanding warranties on our boats. Our fiberglass boats come with a transferable limited lifetime hull warranty, a six-year blister warranty, a six-year limited warranty on the marine grade carpet and a six-year limited warranty on upholstery, vinyl and canvas. For complete warranty information on any particular fiberglass boat, contact your Starcraft dealer.

POWER PACKAGE OPTION

- › TROLLING MOTOR WITH QUICK DISCONNECT
- › SONAR UNIT
- › POWER PREP — FACTORY-RIGGED MOTOR & ACCESSORIES

ALL-WEATHER PACKAGE OPTION*

- › MOORING COVERS
- › BIMINI STYLE TOP SET
- › SNAP-IN CARPET

*Available on Superfisherman and Starfish.

ALUMINUM CONSTRUCTION

- POWER-TRAC HULL®**
combines machine-formed ribs with Torsion Beam Construction (TBC) for incomparable strength and better performance
- 5052 H34 MARINE GRADE ALUMINUM**
resists dents, dings and corrosion for years of reliability
- FOAM INJECTION**
between the floor and hull eliminates air and water pockets for greater buoyancy and reduced noise
- FULL-LENGTH REVERSE CHINE**
keeps the bow down during acceleration for faster hole shots and improved cornering, providing a drier ride than most competitive lines
- TBC STRINGER SYSTEM**
offers greater strength and resilience, flexing with the waves for a smoother ride
- MACHINE-FORMED RIBS**
combined with our one-piece hull bottom, without center seam, outperform other aluminum brands that use two-ply aluminum with a center seam
- DOUBLE RIVETED SEAMS**
provide a tighter seal for increased structural integrity
- 7-PLY PRESSURE TREATED FLOOR/DECK**
resists warping and other effects of dampness
- MARINE GRADE CARPET AND UPHOLSTERY**
are designed for years of durability
- PREMIUM ELECTRONICS**
includes J-Port for iPod/MP3 player
- FULL FACTORY-INSTALLED INSTRUMENTATION AND OPTIONS**
standard on select models

ALUMINUM WARRANTY

Starcraft offers a variety of outstanding warranties on our boats. Our aluminum boats come with a lifetime warranty on all main seams, 10-year warranty on the hull and a six-year limited warranty on upholstery, vinyl and carpet. Please visit www.starcraftmarine.com for more details.

FISHMASTER

You're ready for anything.

Get ready for the ultimate big-water boat. Fishmaster features our widest beam, deepest interior, largest fuel capacity and highest maximum horsepower. The quality begins at construction with heavy-gauge aluminum one-piece hulls and double riveted seams with a lifetime warranty. Then we put in cool features like the race car-inspired console with lighted rocker switches and hydraulic tilt steering. And, to help you reel in the big ones, we added four wood-free deluxe fishing seats, a huge 41 gallon aerated bow livewell and tough vinyl bow and cockpit for easy cleanup and durability.

Learn more about the Fishmaster series.

Fishmaster Features

- 1 Driver's Console** – You're in control with this fully-loaded console with fog-free chrome accented gauges, lighted rocker switches, premium AM/FM stereo with auxiliary J-Port for MP3s and other devices.
- 2 Rod Storage** – There's room for all your favorites with both port and starboard storage that each hold up to four rods.
- 3 Stern Seating** – Get maximum versatility with two flip-down seats at the back of the cockpit.
- 4 Side-Mounted Rod Track** – The universal design of the port and starboard rod tracks fit all down rigging systems.
- 5 Dual Shifter** – Troll big water without worrying with our dual shifter for kicker engines.
- 6 In-Floor Storage** – Keep all your gear dry and safely stowed with roomy in-floor storage.

SUPERFISHERMAN

Great catch. No limits.

Now here's a genuine deepwater fishing boat both you and your family can enjoy. Serious fishing features include huge walk-in, convertible bow and stern casting platforms with 18 oz. marine-grade carpet, three wood-free deluxe fishing seats and two aerated livewells – 18 gallon on the bow and a 36 or 28 gallon on the stern. Everyone will love the durable vinyl cockpit that cleans up easily and the console with lighted rocker switches. And, it's all backed up with heavy .100 gauge aluminum one-piece hulls and double rivet seams with lifetime warranty.

Learn more about the Superfisherman series.

Superfisherman Features

- 1 Driver's Console** – Drive in style behind this fully loaded console featuring fog-free chrome accented gauges, lighted rocker switches and premium AM/FM stereo with J-Port.
- 2 Convertible Walk-Through** – Easily convert your walk-through to a huge bow casting platform.
- 3 Rod Storage** – A lockable port panel and an in-floor storage keep rods and reels safe and secure.
- 4 Bow Livewell** – Keep your catch fresh in the large bow livewell.
- 5 Underseat Storage** – The 186 model features dry storage under the rear flip-up seats.
- 6 Flip-up Seat** – There's room for everyone with these handy flip-up seats. (186 model)

STX / STX VIPER

Fish like a pro.

When it's time to step up to a tournament-ready boat, it's time for the STX series. The 2050 features heavy .125 gauge aluminum one-piece hull, double riveted seams with lifetime warranty and a vinyl cockpit, while the Vipers have a full fiberglass construction. With both models, you'll get a competitive advantage thanks to large bow and stern casting platforms, versatile factory-installed rod track systems, three wood-free deluxe fishing seats and a pro-style 36 gallon stern livewell. You'll love the stylish console with rocker switches and the ease of a three bank battery charger and 24/36 volt motor plug.

STX/STX Viper Features

- 1 Driver's Console** – Look like a pro with a sleek console featuring fog-free chrome accented gauges, lighted rocker switches and premium AM/FM stereo with J-Port.
- 2 Livewell with Oxygenator** – Fish like a pro with a huge 36 gallon livewell that's aerated, timed, lighted and recirculating, featuring the patented Oxygenator system.
- 3 Bow Controls** – Convenient lighted rocker switches and a 24/36 volt trolling motor plug are located on the bow.
- 4 3 Bank Battery Charger Outlet** – You're always prepared with the three bank battery charger located in the in-floor storage.
- 5 Rod Storage** – Safely store up to 10 rods in lockable center storage, plus there's room for more with rod straps in the bow.
- 6 Aerated Bow Baitwell** – Bow and stern baitwells feature bait buckets.
