

STARCRAFT
MARINE

2023 DECKBOAT SERIES

MORE THAN 60 YEARS OF FIBERGLASS BOAT BUILDING EXCELLENCE.

STARCRAFT
SINCE 1959 MARINE

As Starcraft Marine celebrates more than 60 years of fiberglass boat building excellence, we look back proudly at the achievements made since 1959. We are proud of how far we've come and appreciate the many individuals whose commitment and vision have made Starcraft Marine what it is today. Join us for the next 60 years and beyond. We're just getting started.

BACKED BY FIVE GENERATIONS OF PRIDE.

For five generations and counting, the Schrock Family has shared a passion for the water by building high-quality boats that deliver innovative designs and exceptional value. Starcraft has led the boating industry since 1903, with an unmatched heritage of quality, innovation and craftsmanship.

Our commitment to excellence means that every Starcraft deckboat is built without compromise—every interior detail is designed to enhance your comfort, and every mechanical detail is engineered for unsurpassed durability and reliability. It's the reason we still build each and every Starcraft largely by hand, blending cutting-edge technology with timeless craftsmanship to achieve a level of customer satisfaction that is unmatched in the industry. It's a difference you can see, with our impeccable fit and finish, and it's a difference you can feel when you're out on the water.

Our loyal, experienced network of employees and dealers share our commitment to building the best boats on the water, backed by the finest service in the industry—starting with our exclusive Lifetime +6 warranty.

We build each and every Starcraft as if we were building it for ourselves, because we're not just boat builders—we're boaters, just like you. It's the way we've done things since Arthur Schrock built his first boat back in 1903. From our family to yours, welcome aboard!

THE INDUSTRY'S BEST WARRANTY. PERIOD.

- Limited lifetime warranty on hull and structure
- 6-year warranty on all components, carpet and upholstery*
- All parts and labor

- 100% administered by Starcraft Customer Service Department
- Transferable to second owner

The only warranty with more than 250 years of heritage behind it.

*Some exceptions may apply.

OUR COMMITMENT: TO BRING YOU THE FINEST.

Life is already full of compromises—it shouldn't be that way with your boat. That's the reason we build each and every Starcraft on a foundation of three key pillars: sophisticated technology, sumptuous comfort and the freedom to personalize your boat just the way you like, with a wide choice of floorplans, flooring and much, much more.

TECHNOLOGY

Our industry-leading design, meticulous attention to detail during every phase of construction and unmatched quality control at every step of the way let you relax and focus on having fun.

JL AUDIO® SYSTEM: Quality marine loudspeakers, subwoofers, amplifiers and clean signals from well-engineered source units are built to withstand the harsh marine environment, while offering connectivity to all your media devices and multiple zone outputs. You will have full control of the sound throughout the boat.

JL AUDIO MM50

- Bluetooth Connectivity
- USB Connectivity
- Weatherproof
- 2.8" TFT LCD Backlit Display
- Separate Day and Night Themes
- AM/FM Tuner
- 18 Presets Across all Tuners
- Onboard Amplifier for up to 100-watt Sound
- Garmin, Lowrance or Simrad Multifunction Display Connectivity

JL MM50 RADIO

JL SPEAKER

CONSOLE

MULTIFUNCTION DISPLAY

MULTIFUNCTION DISPLAY: Select Starcraft deckboat models are available with a state-of-the-art multifunction touchscreen display, putting a wide range of features and controls right at your fingertips.

OTHER TECHNOLOGIES:

- New Extended Swim Platform with the Water Sport-friendly Ladder
- Quick-read Gauges for Engine, Air and Water
- GPS with Handy Chart Plotter and Compass Heading
- Modified Dihedral Deep V-hull Provides a Smoother Ride in Rough Waters, while the Pad Provides Undisturbed Water Flow to the Propeller
- Bluetooth® Stereo with Remote

COMFORT

We're boaters—just like you. So we understand that comfortable seating and accessible floorplans are essential to making your time afloat special. Choose from a wide range of layouts and different seating options to create your own luxurious living room on the water.

FURNITURE: Our premium loungers, sun decks and helm seats take top-of-the-line to a whole new level with exceptionally comfortable cushioning that represents the perfect balance of firm support and supple comfort. Then we cover it in our tough yet buttery-soft upholstery that feels as great as it looks. Get comfy—you deserve it.

FLOORPLANS: Have it your way with a variety of spacious floorplan configurations that accommodate everyone in your crew. Deeper interiors provide increased safety and comfort for the whole family, along with a drier ride.

CHOICE

Whether your first love is cruising or fishing, you'll find the ideal ride somewhere in our lineup. Each boat comes with an impressive option list that lets you personalize things exactly as you like, with a wide range of flooring options, entertainment options and extensive customized packages.

FLOORING: Do you like the durability and easy cleaning of snap-in Sea Weave vinyl, or do you prefer the cushiony comfort of the EVA Soft Touch Traction Mat? We bring you a huge range of choices.

COLORS: From gel coat to interior accents, it's easy to customize a color scheme that feels like home. (For a complete listing of color options, see pages 24-25.)

LED LIGHTING: From underdeck and underwater lighting to mood lighting and illuminated speakers and cupholders, you'll enjoy the options available from a vast selection of standard and optional lighting packages.

EVERY DETAIL SETS US APART.

Starcraft fiberglass boats are constructed to the most exacting standards. Learn more about the elements that add up to industry-leading quality.

- We start by applying wax to our meticulously cared for hull and deck molds.
- 22 ml of ISO-NPG high-luster Gel Coat is applied, followed by a Blister-Guard barrier coat to protect the appearance of your boat.
- An integrated stringer system provides unmatched strength and durability.
- Alternating layers of 24 oz. woven roving and 60 ml fiberglass matting fully encapsulate all stringers and components.
- An 8-inch overlap is made at the hull bottom to ensure the boat is the strongest where it needs to be.
- Each deck contains 2 ml of coremat and 18 oz. of bi-axial fiberglass for the best possible quality.
- Each hull is weighed for consistency and thoroughly inspected before it moves on to the assembly process.
- All unfinished surfaces are coated with Gator Shield protective coating that is anti-shock, reduces noise and protects against rust and water intrusion.

- A** — **SPACIOUS INTERIORS:** Starcraft leads the way with innovative floorplans that maximize space inside the boat. From the roomy walk-in bow with seating for four, to the added safety and comfort of deep interiors, to plush, generous bucket helm chairs—it's all about being able to spread out and enjoy the day.
- B** — **DRIVER'S CONSOLE:** This luxuriously appointed helm station with an ergonomically-designed dash and helm seat offer plenty of room for technology options.
- C** — **35 OZ. VINYL UPHOLSTERY:** Comfortable and strong, the upholstery features self-draining foam for lasting durability.
- D** — **SURE STEP SAFETY PLATFORMS:** Wide, secure swim platforms, both front and aft, feature deepwater ladders for safety and convenience.
- E** — **UNITIZED 2-PIECE HULL:** Top and hull are screwed and bonded together, creating the added strength needed to secure your lifetime hull warranty.

SVX 210 DC OB • Shown with Optional Ski Tow

THE SVX OB HAVE IT YOUR WAY

Our SVX OB series proves that fun on the water doesn't have to come with a big price tag. SVX OB comes loaded with value, including features like a four-speaker stereo, a Bimini top for sun protection and EVA Soft Touch Traction Mat flooring in the bow and stern—all standard. Available in four sizes from 17' to 23', all offer sporty performance with an all-new deck and hull design that features higher sides for greater comfort, a V-pad running surface for better performance and fuel economy, and a full list of options so you can build your SVX OB exactly as you like.
