

STARCRAFT MARINE

2019 SPORT SERIES

BACKED BY FOUR GENERATIONS OF PRIDE.

For four generations and counting, the Schrock Family has shared a passion for the water by building high-quality boats that deliver innovative designs and exceptional value. Our loyal, experienced network of employees and dealers share our commitment to building the best boats on the water, backed by the finest service in the industry – starting with our exclusive Lifetime +6 warranty.

It's the way we've done things since Arthur Schrock built his first boat back in 1903. From our family to yours, welcome aboard!

Starcraft has led the boating industry for 115 years with an unmatched heritage of quality, innovation and craftsmanship. Our commitment to excellence means that every Starcraft boat is built without compromise—every interior detail is designed to enhance your comfort, and every mechanical detail is engineered for unsurpassed durability and reliability. It's the reason we still build each and every Starcraft largely by hand, blending cutting-edge technology with timeless craftsmanship to achieve a level of customer satisfaction that is unmatched in the industry. It's a difference you can see, with our impeccable fit and finish, and it's a difference you can feel when you're out on the water. We build each and every Starcraft as if we were building it for ourselves, because we're not just boat builders—we're boaters, just like you.

THE INDUSTRY'S BEST WARRANTY. PERIOD.

- Limited lifetime warranty on hull and structure
- 6-year warranty on all components, carpet, upholstery and electronics
- All parts and labor
- 100% administered by Starcraft Customer Service Department
- Transferable to second owner

The only warranty with 250 years of heritage behind it.

OUR COMMITMENT: TO BRING YOU THE FINEST.

Life is already full of compromises – it shouldn't be that way with your boat. That's the reason we build each and every Starcraft on a foundation of three key pillars: sophisticated technology, sumptuous comfort, and the freedom to personalize your boat just the way you like, with a wide choice of floorplans, flooring and much, much more.

TECHNOLOGY

We build our boats with the latest technology, so that your time on the water can be spent focusing on the things that matter most.

TOUCHSCREEN SIMPLICITY: Many Starcraft models offer the unmatched simplicity and convenience of the Simrad NSS evo3 multifunction touchscreen display, putting a wide range of features right at your fingertips.

BIGGIE VISION CAMERA SYSTEM: Our exclusive onboard camera system enhances safety by making it easy to keep close track of swimmers or fallen wakeboarders, and makes docking a breeze by completely eliminating blind spots.

STARCRAFT SURF PACKAGE: You love the comfort and versatility of a deck boat, but you'd really like to surf. Same for us, which is why we created the first deckboat surf system. With an optional Volvo Penta Surf System touchscreen display (see details below), advanced GPS-based speed control and an easily adjustable wake, it's the deck boat that does it all.

IN LIVING COLOR: We take mood lighting a step further with completely customizable LED-lighted speakers and cup holders.

OTHER TECHNOLOGIES INCLUDE:

- New extended swim platform with the water sport-friendly ladder
- Quick-read gauges for engine, air and water
- GPS with handy chart plotter and compass heading
- Bluetooth® Stereo with remote
- Modified Dihedral Cat Hull with a deep V-hull and water-slicing side sponsons that maximize bow and stability when anchored
- Controls for all interior and exterior LED accent lights
- Volvo Penta Surf Display
 - GPS-Based Boat Speed Control
 - Power Trim Control
 - Optional Tow Mode with Camera
 - User Presets for up to 3 individuals
 - Adjustable Surf Tabs Control
 - Simple Ballast Tank Control

COMFORT

We're boaters – just like you. So we understand that comfortable seating and accessible floorplans are essential to making your time afloat special. Choose from a wide range of layouts and different seating options to create your own luxurious living room on the water.

FURNITURE: Our premium loungers, sun decks and helm seats take top-of-the-line to a whole new level with exceptionally comfortable cushioning that represents the perfect balance of firm support and supple comfort. Then we cover it in our tough yet buttery-soft upholstery that feels as great as it looks. Get comfy – you deserve it.

FLOORPLANS: Have it your way with a variety of spacious floorplan configurations that accommodate everyone in your crew. Deeper interiors provide increased safety and comfort for the whole family, along with a drier ride.

CHOICE

Whether your first love is cruising, surfing or fishing, you'll find the ideal ride somewhere in our lineup. Each boat comes with an impressive option list that lets you personalize things exactly as you like, with a wide range of flooring options, entertainment options and extensive customized packages.

FLOORING: Do you like the durability and easy cleaning of snap-in Sea Weave vinyl, or do you prefer the cushiony comfort of EVA Soft Touch Traction Mat? We bring you a huge range of choices.

COLORS: From gel coat to interior accents, it's easy to customize a color scheme that feels like home. (For a complete listing of color options, see pages 30-31).

LED LIGHTING: From underdeck and underwater lighting to mood lighting and illuminated speakers and cupholders, you'll enjoy the options available from a vast selection of standard and optional lighting packages.

EVERY DETAIL SETS US APART.

Starcraft fiberglass boats are constructed to the most exacting standards. Learn more about the elements that add up to industry-leading quality.

- We start by applying wax to our meticulously cared for hull and deck molds.
- 22 ml of ISO-NPG high-luster Gel Coat is applied, followed by a Blister-Guard barrier coat to protect the appearance of your boat.
- An integrated stringer system provides unmatched strength and durability.
- Alternating layers of 24 oz. woven roving and 60 ml fiberglass matting fully encapsulate all stringers and components.
- An 8-inch overlap is made at the hull bottom to ensure the boat is the strongest where it needs to be.
- Each deck contains 2 ml of coremat and 18 oz. of bi-axial fiberglass for the best possible quality.
- Each hull is weighed for consistency and thoroughly inspected before it moves on to the assembly process.
- All unfinished surfaces are coated with Gator Shield protective coating that is anti-shock, reduces noise and protects against rust and water intrusion.

22 ml of ISO-NPG high-luster Gel Coat

24 oz. woven roving

60 ml fiberglass matting

2 ml of coremat

- A SPACIOUS INTERIORS:** Starcraft leads the way with innovative floorplans that maximize space inside the boat. From the roomy walk-in bow with seating for four, to the added safety and comfort of deep interiors, to plush, generous bucket helm chairs – it's all about being able to spread out and enjoy the day.
- B DRIVER'S CONSOLE:** This luxuriously-appointed helm station with an ergonomically-designed dash and helm seat offer plenty of room for technology options.
- C BIGGIE VISION CAMERA SYSTEM:** Our exclusive multi-camera system enhances safety by providing a view of activity behind the boat during swimming and water sports and eliminating blind spots while docking.
- D 35 OZ. VINYL UPHOLSTERY:** Comfortable and strong, the upholstery features self-draining foam for lasting durability.
- E SURE STEP SAFETY PLATFORMS:** Wide, secure swim platforms, both front and aft, feature deepwater ladders for safety and convenience.
- F UNITIZED 2-PIECE HULL:** Top and hull are screwed and bonded together, creating the added strength needed to secure your lifetime hull warranty.

THE CHOICE IS YOURS

Pick your hull. Pick your power. Choose a floorplan, and enjoy the water. Starcraft delivers unbeatable performance that's designed to be the very best experience, no matter how you spend time on the water. Take a few moments to learn more before choosing the Starcraft that's right for you.

SURF SERIES DECKBOAT
Surf boat performance with the comfort and versatility of a deckboat? Yes, indeed. Starcraft Surf series delivers an unbeatable surfing experience with every run, and with seating for the whole family.

MDX I/O DECKBOAT
With its modified dihedral V-hull, our amazing MDX I/O models offer a smooth and stable ride with incredible interior space.

STAR STEP I/O DECKBOAT
Who knew a deckboat could be so much fun? With a range of power options and our revolutionary Star Step stepped hull design, get ready to leave the speedboats behind.

MDX OB DECKBOAT
Take the eye-opening performance and sleek styling of our incredible MDX and give it the added versatility of outboard power. Can it really get better than this?

SHOWN ON PAGE 22

MDX CENTER CONSOLE DECKBOAT

With its modified dihedral cat hull for enhanced stability and smoothness, our MDX center console model takes versatility and fishability to a whole new level.

SHOWN ON PAGE 24

LIMITED DECKBOAT

Whether you're dropping anchor in a secluded bay, dropping the throttle for a joy ride with the kids or dropping a line to catch some fish, our Limited Deckboat is right at home.

SHOWN ON PAGE 26

LIMITED RUNABOUT RUNABOUT

With its thrilling acceleration, effortless handling and stunning good looks, the Limited Runabout makes the most of every moment aboard.

MODIFIED DIHEDRAL V-HULL virtually eliminates rough ride and rocking motion, while air injection vents provide the smoothest, driest and most stable ride in its class.

RUNABOUT REVERSE CHINE HULL pushes water down and away from the boat, providing first-class performance with impressive acceleration and cornering.

MODIFIED DIHEDRAL CAT HULL features a deep V-hull with side sponsons that slice through the water, increase stability when anchored and provide for a larger bow area.

STAR STEP HULL incorporates a cutaway design with a longer running surface that delivers faster planing, less bow rise and better performance with lower horsepower.

SURF SERIES

With no less than 12 models to choose from, Starcraft Surf series makes it easy for the whole family to enjoy the perfect wave every time out. Purpose-built to deliver an unbeatable surfing experience with every run, with Starcraft's legendary comfort, innovation and quality as standard equipment.

SURF

WAKE TO WAKE TRANSFER

Take wakesurfing to the next level with double the surfable wake and twice the fun with the push of a button.

THE SURF IS **ALWAYS UP.**

The industry's only surfable deckboat features Volvo Penta's Forward Drive system and its unique forward-facing propellers for enhanced handling, fuel economy and safety. Shape your wave with our GPS-based Zero Off speed control, full ballast system and surf tabs for unparalleled control. We even offer wake to wake transfers that let you take your surfing to the next level.

STAR STEP I/O

STAR STEP 221 E I/O - Shown with Optional Snap-In EVA Soft Touch Traction Mat and Bow EVA Soft Touch Traction Mat

STEP UP TO HIGH PERFORMANCE.

With its unique stepped hull design that delivers a longer, cleaner running surface for mind-blowing hole shots, nothing moves like the Star Step I/O. However, exhilarating performance doesn't need to sacrifice comfort, and Star Step delivers with its deep bow seating and plush, spacious sun deck that easily adjusts to give you the choice of a full sun pad, a chaise lounge or a flip-up backrest. Three floorplans let you choose from amenities like an entertainment center with a fresh water sink (221 E I/O), a full side bench (221 I/O) or a full wraparound windshield (220 I/O).

MDX CENTER CONSOLE

MDX 231 OB CC - Shown with Optional Center Console DLX,
T-Top, Hard Top and EVA Soft Touch Traction Mat

WHERE THE FISH ARE.

Looking for family fun in a serious fishing machine? Our MDX Center Console offers all of the casting space serious anglers have come to expect, without sacrificing any of the comfort that MDX is known for. Enjoy plenty of casting space on the raised bow deck without having to remove any seat cushions, so those twin front loungers are still ready for use. Enjoy the full rear swim platform and convertible rear seat, with the versatility of a rear casting deck. Side-mounted rod storage, a livewell, plus convenient in-floor storage and a Bimini top make the MDX OB CC the catch of the year.

STANDARD FEATURES:

LIMITED 2000 OB • Shown with Optional All Star Graphic & SX Package

FUN FOR ALL.

With its long list of standard features including comfortable lounges, flip-up family fun seat, Bimini top, cockpit table with integral cup holders, in-floor storage and more, it's easy to see why Starcraft Limited is one of the best-equipped deckboats on the water. However it's also one of the greatest values afloat. Our exclusive modified dihedral V-hull delivers a stable, smooth ride for passenger comfort and watersport fun. Choose the Limited I/O with its extended front deck and rear swim platform for easier boarding and more seating space. Or select a Limited outboard model and add an available fishing package for even greater versatility.

STANDARD FEATURES:

- Lifetime +6 Warranty

LIMITED RUNABOUT

LIMITED 2321 I/O • Shown with Optional SX Package, Extended Swim EVA Soft Touch Traction Mat & Bimini Top

WHAT ARE YOU WAITING FOR?

Nothing compares with the feeling of gliding over a smooth lake surface, putting the throttle down and leaving your cares behind. That's Starcraft Limited – the sporty and approachable runabout that brings fun on the water within everyone's reach. With its elegant wrap-around windshield and sporty styling, this boat looks as graceful as it runs. Yet with standard features like a big rear swim platform, a four-step bow boarding ladder, a comfy lounge seat up front and a Kicker KMC10 AM/FM stereo with Bluetooth® and 6" Kicker speakers, it's ready for all-day fun in the sun all summer long.
