STEP UP TO STATE-OF-THE-ART.

A great day on the water starts and ends with a boat tailor-made to your specifications. That's why every Starcraft is built on our three pillars of a better experience: sophisticated real-world technology, luxurious comfort, and the freedom to choose virtually every aspect, from floorplans to flooring and much more.

TECHNOLOGY

Get ready to experience up-to-the-minute technology driven by our commitment to industry-leading design and meticulous construction.

MURPHY TOUCH SCREEN: Select Starcraft models are available with a Murphy touch screen control system, putting a wide range of features at your fingertips.

BIGGIE VISION CAMERA SYSTEM: Our exclusive rear camera system enhances safety by providing a view of activity behind the boat during swimming and watersports and eliminating blind spots while docking.

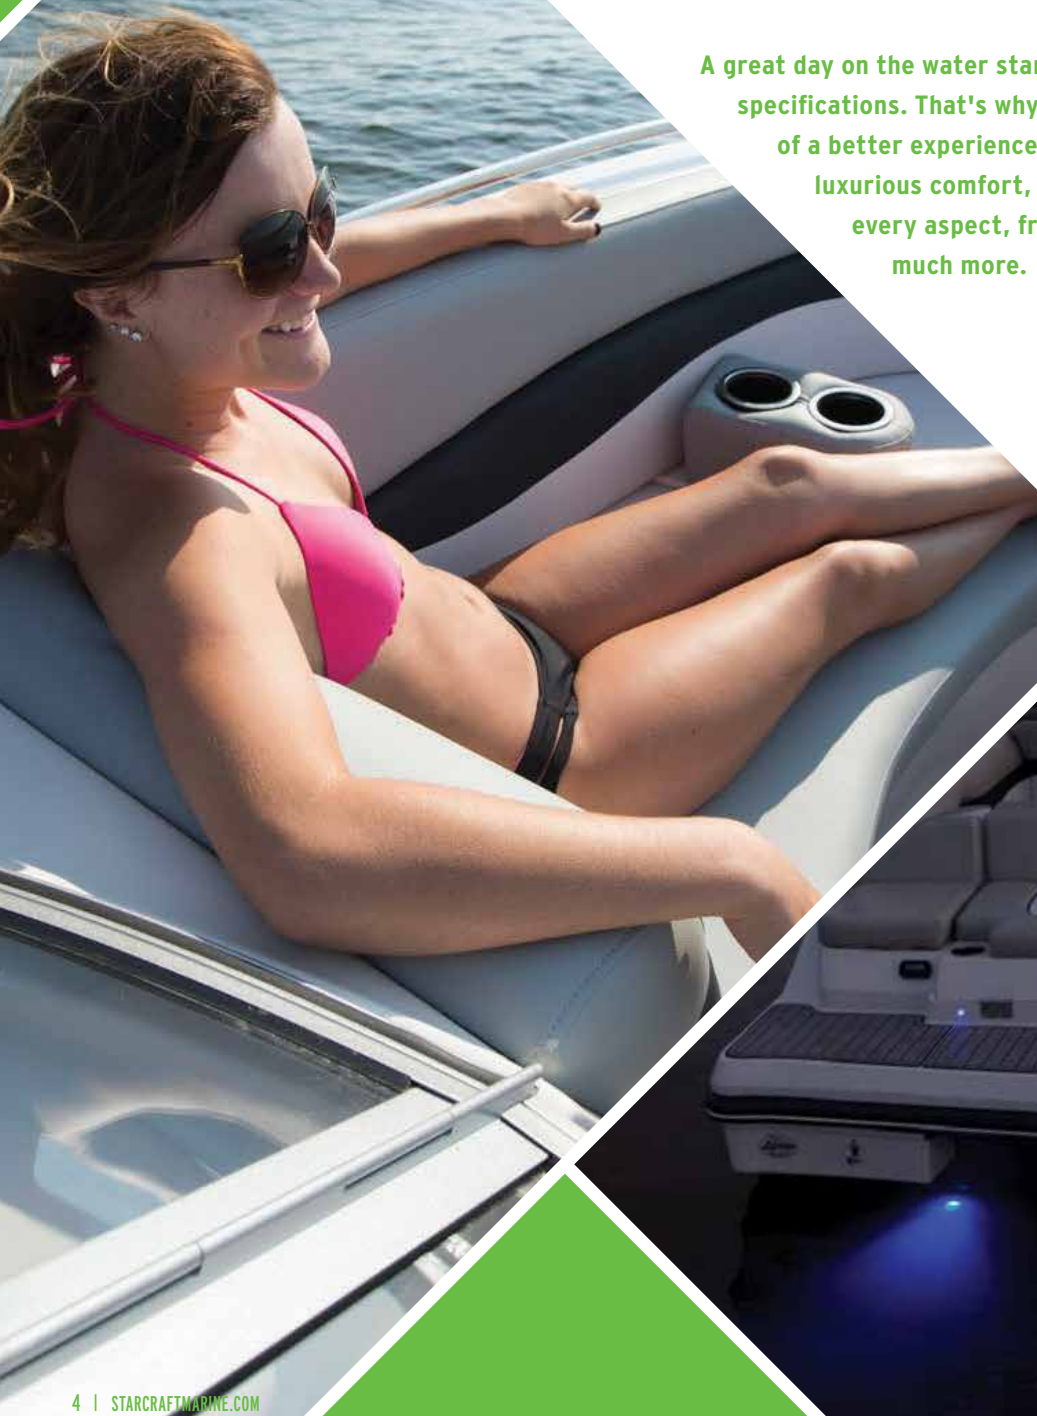

STARCRAFT SURF PACKAGE: The First Surfable Deckboat. It's a new day in tow sports with the first deckboat surf system. In combination with the Murphy touch screen, it features advanced GPS-based speed control, personalized settings and much more.

COLOR CHANGING LED SPEAKERS AND CUPHOLDERS: Enhance the style and mood on your boat by setting the speakers and cupholders to virtually any color on the spectrum.

New extended swim platform with the water sport-friendly Armstrong ladder | Quick-read gauges for engine, air and water | GPS with handy chart plotter and compass heading | Bluetooth® Stereo with remote | Modified Dihedral Cat Hull with a deep V-hull and water-slicing side sponsons that maximize bow and stability when anchored | Controls for all interior and exterior LED accent lights

COMFORT

Everything about a Starcraft is designed for your ultimate comfort and ease. Create your own luxurious living room on the water with a floorplan and furniture selection tailor-made to your lake lifestyle.

FURNITURE: You'll enjoy premium comfort with top-of-the-line loungers, sundecks and helm seats. Specially-designed family fun seating helps kids get ready for water sports and provides a convenient lookout spot when kids jump in for a swim.

FLOORPLANS: Find the spacious floorplan configuration that accommodates your headcount and fits your lifestyle. Deeper interiors provide increased safety and comfort for the whole family.

CHOICE

Freedom of choice means more freedom out on the water. From our wide range of durable flooring options to our extensive customized packages, the adventure starts with customizing your boat just for you.

FLOORING: Choose from durable snap-in Sea Weave vinyl and gray or tan snap-in marine mat.

COLORS: From gel coat colors to interior accents, it's easy to customize a color scheme that feels like home to you. (For a complete listing of color options, see pages 32-33).

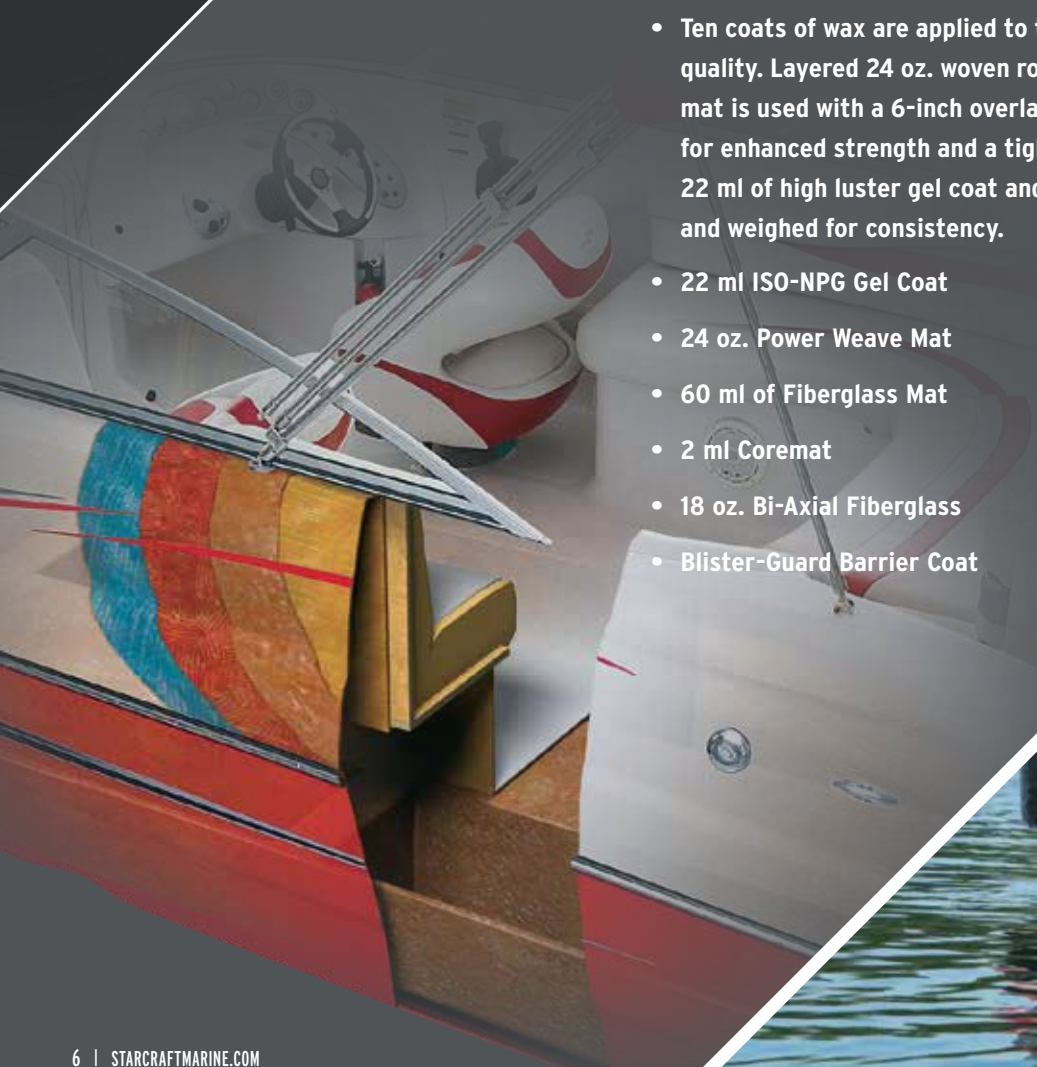

LED LIGHTING: A wide selection of standard and optional color changing LED lighting is available. From Babbito underdeck and underwater lighting to mood lighting and illuminated speakers and cupholders, visibility is always a priority.

EVERY DETAIL SETS US APART.

Starcraft fiberglass boats are constructed to the most exacting standards. Learn more about the elements that add up to industry-leading quality.

- Integrated stringer system provides unmatched strength and durability. All components are encapsulated in fiberglass, and on all outboard models the stringers are completely composite.
- Blister-guard barrier protects your boat from the elements and prevents gel coat blistering.
- Ten coats of wax are applied to the molds for consistent part quality. Layered 24 oz. woven roving power weave fiberglass mat is used with a 6-inch overlap between the hull and deck for enhanced strength and a tight fit. Next is the application of 22 ml of high luster gel coat and, finally, each hull is inspected and weighed for consistency.
- 22 ml ISO-NPG Gel Coat
- 24 oz. Power Weave Mat
- 60 ml of Fiberglass Mat
- 2 ml Coremat
- 18 oz. Bi-Axial Fiberglass
- Blister-Guard Barrier Coat

- A SPACIOUS INTERIORS:** Starcraft leads the way with innovative floorplans that maximize space inside the boat. From the roomy walk-in bow with seating for 4, to the added safety and comfort of deep interiors, to plush, generous bucket helm chairs – it's all about being able to spread out and enjoy the day.
- B DRIVER'S CONSOLE:** Luxuriously appointed helm station with ergonomically designed dash and helm seat.
- C BIGGIE VISION CAMERA SYSTEM:** Our exclusive rear camera system enhances safety by providing a view of activity behind the boat during swimming and watersports and eliminating blind spots while docking.
- D 35 OZ. VINYL UPHOLSTERY:** Comfortable and strong, the upholstery features self-draining foam for lasting durability.
- E SURE STEP SAFETY PLATFORMS:** Wide, secure swim platforms, both front and aft, feature deepwater ladders for safety and convenience.
- F UNITIZED 2-PIECE HULL:** Top and hull are screwed and bonded together, creating the added strength needed to secure your lifetime hull warranty.

CHOOSE YOUR EXCITEMENT.

With four distinct hull contours, Starcraft delivers unbeatable performance that's designed to be the very best experience, no matter how you spend time on the water. Take a few moments to learn more before choosing the Starcraft model that's right for you.

SCX CROSSOVER I/O (SURF OPTION AVAILABLE) CROSSOVER

The SCX Crossover I/O is engineered to excite. With jaw-dropping performance, head-turning style and impressive space, it's a thrilling way to enjoy the water.

14

SCX CROSSOVER OB CROSSOVER

The SCX Crossover OB is destined to impress with plush seating, sport performance, an impressive cockpit and impeccable style. From stern to bow, it has all the bells and whistles.

16

STAR STEP I/O DECKBOAT

This spacious deckboat seats up to 12 and features an innovative cutaway hull design that provides a longer running surface for quick planing and sporty performance.

18

STAR STEP OB DECKBOAT

Exciting performance combined with plenty of seating makes the Star Step OB a great choice for sportboat performance when you have a bigger crowd.

MODIFIED DIHEDRAL CAT HULL features a deep V-hull with side sponsons that slice through the water, increase stability when anchored and provide for a larger bow area.

STAR STEP HULL incorporates a cutaway design with a longer running surface that delivers faster planing, less bow rise and better performance with lower horsepower.

MODIFIED DIHEDRAL V-HULL virtually eliminates rough ride and rocking motion, while air injection vents provide the smoothest, driest and most stable ride in its class.

RUNABOUT REVERSE CHINE HULL pushes water down and away from the boat, providing first-class performance with impressive acceleration and cornering.

20

MDX (I/O & OB) DECKBOAT

The versatile MDX offers serious fun for everyone. A Modified Dihedral V-hull delivers a smooth and stable ride that makes for a great day on the water.

24

COASTAL OB DECKBOAT

The smooth ride of the spacious Coastal OB deckboat lets you enjoy the open water. You'll make the most of every minute.

26

LIMITED DECKBOAT

Whether you're dropping anchor, dropping the throttle or dropping a line in the water, the open floorplan offers something for everyone.

28

LIMITED RUNABOUT RUNABOUT

With thrilling acceleration, smooth handling and great styling, this speedy runabout is a water sport-lover's dream boat.

CROSSOVER I/O

RAISE YOUR GAME WITH HIGHER HORSEPOWER.

Looking for breathtaking performance and sleek styling in one head-turning crossover? The SCX I/O delivers up to 380 HP full-throttle power combined with the expansive comfort of a luxury deckboat. THE DECKBOAT EXPERIENCE TAKES A BIG STEP FORWARD.

The Star Step I/O gets the royal treatment with a fresh redesign from bow to stern. Special attention to space optimization has resulted in deeper bow seating, modern modular floorplan options and a cockpit with more room to move about. Below deck, a unique stepped hull design delivers a performance advantage and the longer running surface allows for rapid planing. The plush, spacious sundeck easily adjusts to give you the choice of a full sun pad, a chaise lounge or a flip-up backrest. Three models offer you the choice of an entertainment center with a freshwater sink (221 E I/O), a full side bench (221 I/O) or a full wraparound windshield (220 I/O).
