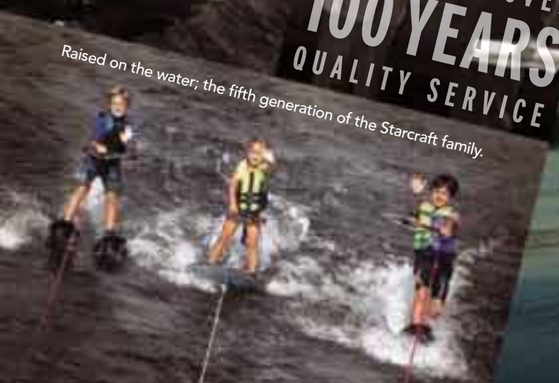
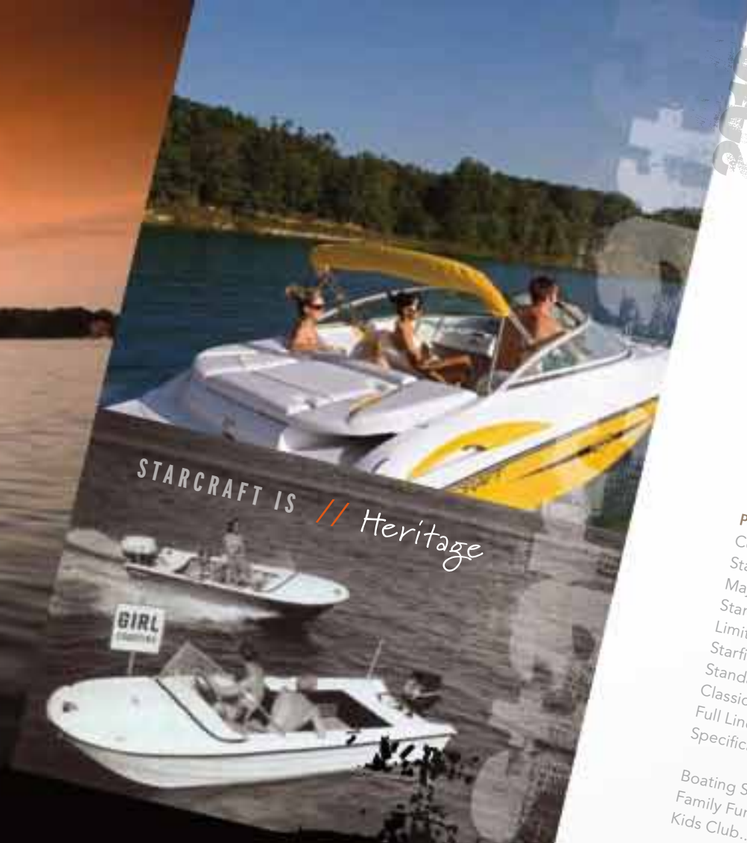
STARCRAFT
» HERITAGE. IN MOTION.

» FAMILY FIRST. *Since 1903*

Today's Starcraft is a company run by the same family that started it all, back in 1903. Four generations of the Schrock family have dedicated themselves to leading the industry in quality and innovation with fun, versatile boats that are well within reach. There's a sense of pride at Starcraft that you won't find anywhere else. Pride in our boats and pride in backing them up. A commitment made from our family to yours.





» HERITAGE. IN MOTION.

Think back to 1903 for a moment. Before Americans drove cars, flew airplanes or had televisions. Here in the heartland, Starcraft built its first boat — and decades of innovation were born. Since then, we've designed and engineered countless industry-leading improvements to pleasure and fishing craft, all to help families build their own heritage on the water. Whether a Starcraft takes your family cruising, fishing, waterskiing or wakeboarding, one thing's for sure. At the end of the day, it brings you closer together.

THE STARCRAFT // Difference

CHOOSE YOUR HULL FOR TOP PERFORMANCE

MODIFIED DIHEDRAL VEE HULL This revolutionary deckboat hull design virtually eliminates rough ride and rocking motion, while air injection vents provide the smoothest, driest and most stable ride possible.

STARSTEP HULL Starcraft's unique after-plane hull extends past the transom for a longer running surface that results in faster planing, less bow rise and better performance at both high and low horsepower.

RUNABOUT REVERSE CHINE HULL Starcraft runabouts deliver first-class performance thanks to the reverse chine hull that pushes water down and away, providing impressive acceleration and cornering.

FIBERGLASS CONSTRUCTION

1 ROOMY WALK-IN BOW features padded seating

2 DRIVER'S CONSOLE features racecar-inspired styling with domed gauges, a custom tilt wheel and an optional aerodynamic windscreen

3 CLEAN CURVED WINDSHIELD® by Taylor Made Systems® for years of durability

4 35 OZ. VINYL UPHOLSTERY features self-draining foam

5 INTEGRATED BOW LADDER allows swimmers to safely board the boat in the bow

6 SELF-DRAINING COCKPITS in Starcraft OB deckboats help keep the interior dry, even in rough water

7 LARGE PADDED SUNDECK with adjustable fold-out backrest on select models

8 EXTENDED STERN SWIM PLATFORM is an available option on most models

9 MP3 AUXILIARY PORT allows you to cue up your favorite playlists

» THE LAYERS OF A BETTER BOAT

Starcraft fiberglass boats are painstakingly constructed to the most exacting standards. Learn more about the elements that add up to industry-leading quality.

- **Integrated stringer system** provides unmatched strength and durability. Its components are encapsulated in fiberglass on OB models for enhanced protection.
- **10 coats of wax** are applied to the molds for consistent part quality. **24-ounce woven roving fiberglass** is used with a 6-inch overlap between the hull and deck for enhanced strength and a tight fit. Next is the application of **22 mils of high-elongated gel coat**, and finally, each hull is inspected and weighed for consistency.

- 22 mils ISO-NPG Gel Coat
- 1-1/2 oz. Fiberglass Mat
- 60 mils of Fiberglass Mat
- 2 mils Coremat
- 18 oz. Bi-Axial Fiberglass

» STARCRAFT WARRANTY

Starcraft offers a variety of outstanding warranties on our boats. Our fiberglass boats come with a transferable lifetime limited hull warranty, a five-year blister warranty, a five-year limited warranty on the marine grade carpet and a five-year limited warranty on upholstery vinyl. For complete warranty information on any particular fiberglass boat, contact your Starcraft dealer.

Driver's Console. Our racecar-inspired console features domed gauges, a custom tilt wheel and an optional aerodynamic windscreen.

Bimini Top. Starcraft's bimini tops look great, are easy to use and offer protection from the sun. Available in colors to complement your deckboat.

Side Table. The 190 Star Step features our removable table with a screw-in base, perfect for sharing snacks or light meals on the water.

MP3 Auxiliary Port. It's easy to cue up your favorite playlists with the auxiliary port for an MP3 player.

Sink. You'll appreciate the convenience of the standard freshwater sink and the versatility of the optional hand sprayer shower.

Sundeck. The large, padded sundeck is a great place to lounge. Recline in even greater comfort with the adjustable fold-out backrest that is standard on certain models.

Center Console. The Star Step OB's center console is one of the most impressive helms in its class.

Bow Platform. The open bow leads to a spacious swim platform with a ladder, making it easy to get in and out of the water.

Swim Platform. This optional extended rear swim platform with integrated ladder makes it easy to climb aboard after tubing or skiing. (Standard on Star Step, optional on Limited I/O.)

Snap-in Carpet. Versatile snap-in carpet allows you to convert easily from fishing to comfortable cruising and family fun.

Double Bimini Top. The double bimini top option offers added protection from direct sun in the heat of the day.

Trailer. Starcraft offers a range of trailer options. Check with your dealer for availability.

Wake Tower. Skiers and boarders in your gang will love the wake tower that's custom designed for the perfect fit.

Bow and Cockpit Cover. Our factory installed cockpit cover protects your boat from debris when trailering or storing your boat.

Fishing Packages. Make fishing easier with packages that include removable seating, a baitwell and rod storage systems for safe stowing of gear. (Available on select models.)

Trolling Motor. Experience maximum maneuverability and enhanced fishing opportunities with the addition of a trolling motor. (Available on most models.)

Graph packages are available on most models. (Not pictured.)

// Brilliance.

// FACT – The Star Step doesn't say you've arrived. It yells it.

Driver's Console. Our sleek and sporty console features easy-to-read domed gauges and a custom wheel with rack and pinion power steering.

MP3 Plug-In. You can share your favorite tunes with the whole gang, thanks to the auxiliary port for an MP3 player.

Sundeck. The sundeck features an adjustable headrest so you can turn it into your own personal lounge area.

In-Floor Storage. Safely store skis, boards, PFDs and more in the large in-floor locker that keeps the deck clear of clutter.

Helm Seat. Comfortable bucket-style helm seats look great and offer the durability of marine-grade vinyl. A flip-up bolster adds height when needed.

Rear Entry. The corner of the spacious sundeck easily flips up to provide convenient rear access and extra storage space.

Bow Ladder. The integrated bow ladder makes it easy to get in and out of the water.

Bow Seating. The roomy walk-in bow has comfortable padded seating with storage underneath the hinged bow cushions.

Cover A heavy-duty canvas mooring cover helps protect your boat when it's not in the water.

Wake Tower. Skiers and boarders in your gang will love the wake tower that's custom designed for the perfect fit.

Snap-In Carpet. Versatile snap-in carpet allows you to convert easily from fishing to comfortable cruising and family fun.

Ski Tow Bar. Get the most fun out of your boat with a ski tow bar that stows neatly away when not in use.

Trailer. Starcraft offers a range of trailer options. Check with your dealer for availability.

Swim Platform. This optional extended swim platform with integrated ladder makes it easy to climb aboard after tubing or skiing.

THE STARCRAFT // *Difference*

PONTOON CONSTRUCTION

SETTING HIGHER STANDARDS Every Starcraft pontoon comes standard with our commitment to quality and performance. Whether you enjoy fishing, cruising or skiing, Starcraft pontoons offer the versatility to fit your lifestyle.

1 ROTOCAST FURNITURE with 360° integrated drains to channel water off the boat

2 CUSTOM CONSOLES offer comfort and luxury at the helm

3 USB PORT lets you pre-load your favorite tunes or control an mp3 player through the on-board stereo

4 TOP-OF-THE-LINE VINYL UPHOLSTERY designed to withstand the toughest weather conditions and has a 5-year warranty

5 FENCING features supplemental cross members and foam backing to eliminate rattling

6 RAILINGS keep their showroom looks for years, thanks to anodized aluminum or metallic powder coating

7 EXCLUSIVE PAINT PROCESS bakes on polyester paint at over 400° for a lustrous, durable finish

8 AIR-FILLED TUBES allow Starcraft pontoons to be lighter, more powerful and more fuel efficient

9 UNIQUE NOSE CONE DESIGN deflects water away from the boat, for a smooth, dry ride

10 ALL-ALUMINUM TRANSOM deflects water away from the engine for optimal performance

11 ANTI-PUNCTURE SKID BAR adds extra layer of protection and enhances steering control

» A STRONGER FOUNDATION

Only Starcraft offers industry-leading deck construction designed to give you years of strength and reliability.

- **Exclusive cross channel construction** features heavy-duty Z-bar and hat-shaped channels that are double through-bolted onto the deck risers for exceptional support.
- **7-layer pressure treated plywood** deck resists warping and water damage.
- **Marine grade carpet** is bonded to the deck with marine adhesive and secured around the perimeter with stainless steel fasteners.

» STARCRAFT WARRANTY

Starcraft offers a variety of outstanding warranties on our boats. All of our pontoons come with unbeatable lifetime limited warranties on decks, tubes and transoms. We also offer a five-year limited warranty on marine grade carpet and a five-year limited warranty on upholstery vinyl on most models. For complete warranty information on any particular pontoon boat, contact your Starcraft dealer.

Starcraft pontoons are built to last, starting with quality materials including marine alloy aluminum, stainless steel, 7-layer pressure treated plywood and extruded Z-bar and hat channel cross members. Then each piece is constructed by experienced professionals for unsurpassed quality.

Driver's Console with Lowrance GPS. Welcome to the water's most luxurious helm, with a custom console, built-in 383 Lowrance GPS system with depth finder, full instrumentation, a deluxe wheel and hydraulic steering.

USB Port. Hook up your MP3 player for instant music or to pre-load all of your favorite songs directly into the boat and control them through the on-board stereo.

Changing Room. A lockable, pop-up changing room provides privacy and convenience.

Ski Tow. Water sports are made easy with this ski tow that allows convenient attachment of tow ropes and keeps them away from the motor.

Playpen Cover. Keep your boat covered when docked, in storage or on the road with our heavy-duty playpen cover.

Rear Entry Platform with Ladder. A large rear entry area makes it easy to load and unload passengers, and a four-step ladder helps swimmers and skiers get in and out of the water.

Umbrella Table. The large umbrella mounts easily on the bow table and is stowed under the bimini top when not in use.

Under Deck Liner. The Majestic has raised the bar for performance with the combination of aluminum bottom skin and our flow-through tube design which controls water flow directly to the propeller.

Galley. A freshwater sink, with shelving and water tank storage underneath, provides a convenient place to prepare meals and refreshments on longer outings.

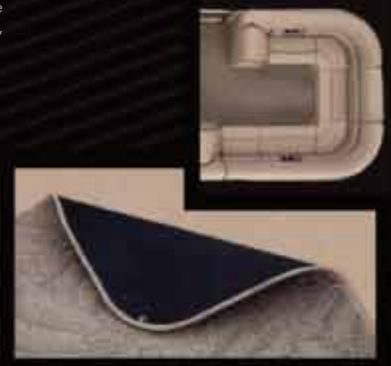
In-floor Storage. Stow tow ropes, anchors and life preservers safely out of the way with the Majestic's in-floor storage compartment. Available in optional 3rd tube only.

Flexible Floorplans. Replace your portside couch with 2 portside Captain's chairs and a table for the ultimate entertaining experience.

Refrigerator. Complement your galley and complete your refreshment center with this optional refrigerator, perfect for keeping drinks and snacks well chilled.

3rd Tube Option. The superior performance of the 3rd tube option gives you a stable, quiet ride.

Performance Package. Add lifting strakes and experience a new level of performance on your Majestic – from more lift and speed to better handling.



Vinyl Floor or Vinyl Floor with Snap-In Carpet. You can choose vinyl flooring alone for ease of cleaning or choose vinyl floor with snap-in carpet for a versatile floor that converts easily from fishing to comfortable cruising.

Bow Filler. Extra furniture unit in the bow adds seating and versatility to your boat.

Porta Potti. Stay out on the water all day with the added convenience of a Porta Potti onboard.

// Prestige.

// FACT – Starcraft redefines the luxury pontoon experience.

Driver's Console. Rosewood panels, domed gauges and the quick-release smoked Plexiglas® windscreen give the dash a sporty elegance. The in-dash power port and storage for portable electronics is convenient but still leaves room for the optional GPS system and an optional depth finder (shown).

Changing Room. The pop-up changing room (on RE CR models) offers privacy and convenience on the water.

Rear Entry and Ladder. A large rear entry area makes it easy to load and unload passengers, and a four-step ladder helps swimmers and skiers get in and out of the water.

Rear Fishing Station. Stow all of your fishing gear and keep your rods handy but securely out of the way at this rear fishing station. (Starfish only.)

In-Seat Storage. A large storage area is hidden under the bow seats, thanks to flip-up cushions.

Docking Lights. The added touch that makes night cruising safer with easier docking.

Aerated Livewell. Keep your catch healthy all day with the spacious, aerated livewell. (Starfish only.)

Fencing. Sturdy and looks great because we treat the aluminum panels with our exclusive process in which we bake on polyester paint at over 400 degrees and finish the railings with a metallic powder coating.

Depth Finder. The perfect extra for the serious angler.

Ski Tow. The optional ski tow adds even greater versatility to your pontoon and allows you to take advantage of its power.

Flexible Floorplans. Replace your portside bow couch with two portside Captain's chairs and a table for the ultimate entertaining experience.

Porta Potti. Stay out on the water all day with the added convenience of a Porta Potti onboard.

Umbrella Table. The large color-coordinated umbrella mounts easily on the bow table and is stowed under the bimini top when not in use.

3rd Tube Option. The superior performance of the 3rd tube option gives you a stable, quiet ride.

Fish Finder. Fish the best spots with an optional fish finder. (Standard on Starfish.)

Vinyl Floor or Vinyl Floor with Snap-In Carpet. You can choose vinyl flooring alone for ease of cleaning or choose vinyl floor with snap-in carpet for a versatile floor that converts easily from fishing to comfortable cruising.

Playpen Cover. Keep your boat covered when docked, in storage or on the road with our heavy-duty playpen cover.

Performance Package. Upgrade the ride of your pontoon with a performance package that includes an under deck liner, lifting strakes, ski tow bar and hydraulic steering. (Not pictured.)

BOATING SAFETY CHECKLIST

As the owner and captain of the boat, you are responsible for taking a few steps to make sure everyone stays safe and has a great time. Here are some quick checks you should make every time you put your boat in the water.

- Top off the fuel tank—because running out of fuel is the single greatest boating hazard.
- Perform an overall inspection—give your boat a once-over before each time out.
- Check the bilge—look for water or fuel.
- Test all systems—make sure the engine, blower, bilge pump and lights are all running smoothly.
- Double check the drain plug—sounds like a no-brainer, but do it anyway.
- Follow the capacities displayed on the certification plate—never overload your boat.
- Distribute the weight of passengers and gear equally, from side to side and front to back. Pay particular attention to the amount of weight you have in an open bow.

SUN SAFETY

Starcraft wants everyone to be aware of the dangers of sunburn. Use the following guidelines to keep everyone safe from skin damage.

- Avoid prolonged direct exposure to the sun when it is the strongest, between 10 a.m. and 4 p.m.
- Use waterproof sunscreen of SPF 15 or higher and reapply frequently.
- Wear protective clothing, wide-brimmed hats and sunglasses that provide UV protection.
- White jersey T-shirts provide the equivalent of only SPF 5, while darker colors and special Ultra Protection Factor (UPF) fabrics offer increased protection.
- Be aware that sunburns may occur on cloudy days, too.

NOW YOU'RE PART OF THE FAMILY.

The people who work at Starcraft are more than a team. We're family. So, we're proud of each other and what we do—and it shows in the quality and craftsmanship of every Starcraft product. That's why our entire company is committed to making sure you get every ounce of enjoyment from your new purchase. If you ever have a question about your boat, or simply want to know more about the complete line of Starcraft pontoons, deckboats and runabouts, visit our website at www.starcraftmarine.com.

ONE FOR EVERYONE

Federal law requires that you carry at least one wearable (Type I, II or III) Personal Flotation Device (PFD) for each passenger, as well as one throwable (Type IV) PFD. There are many different styles, designed to be comfortable for every activity. And most importantly, each passenger should have one that fits properly, especially children and non-swimmers.
