STARCRAFT MARINE

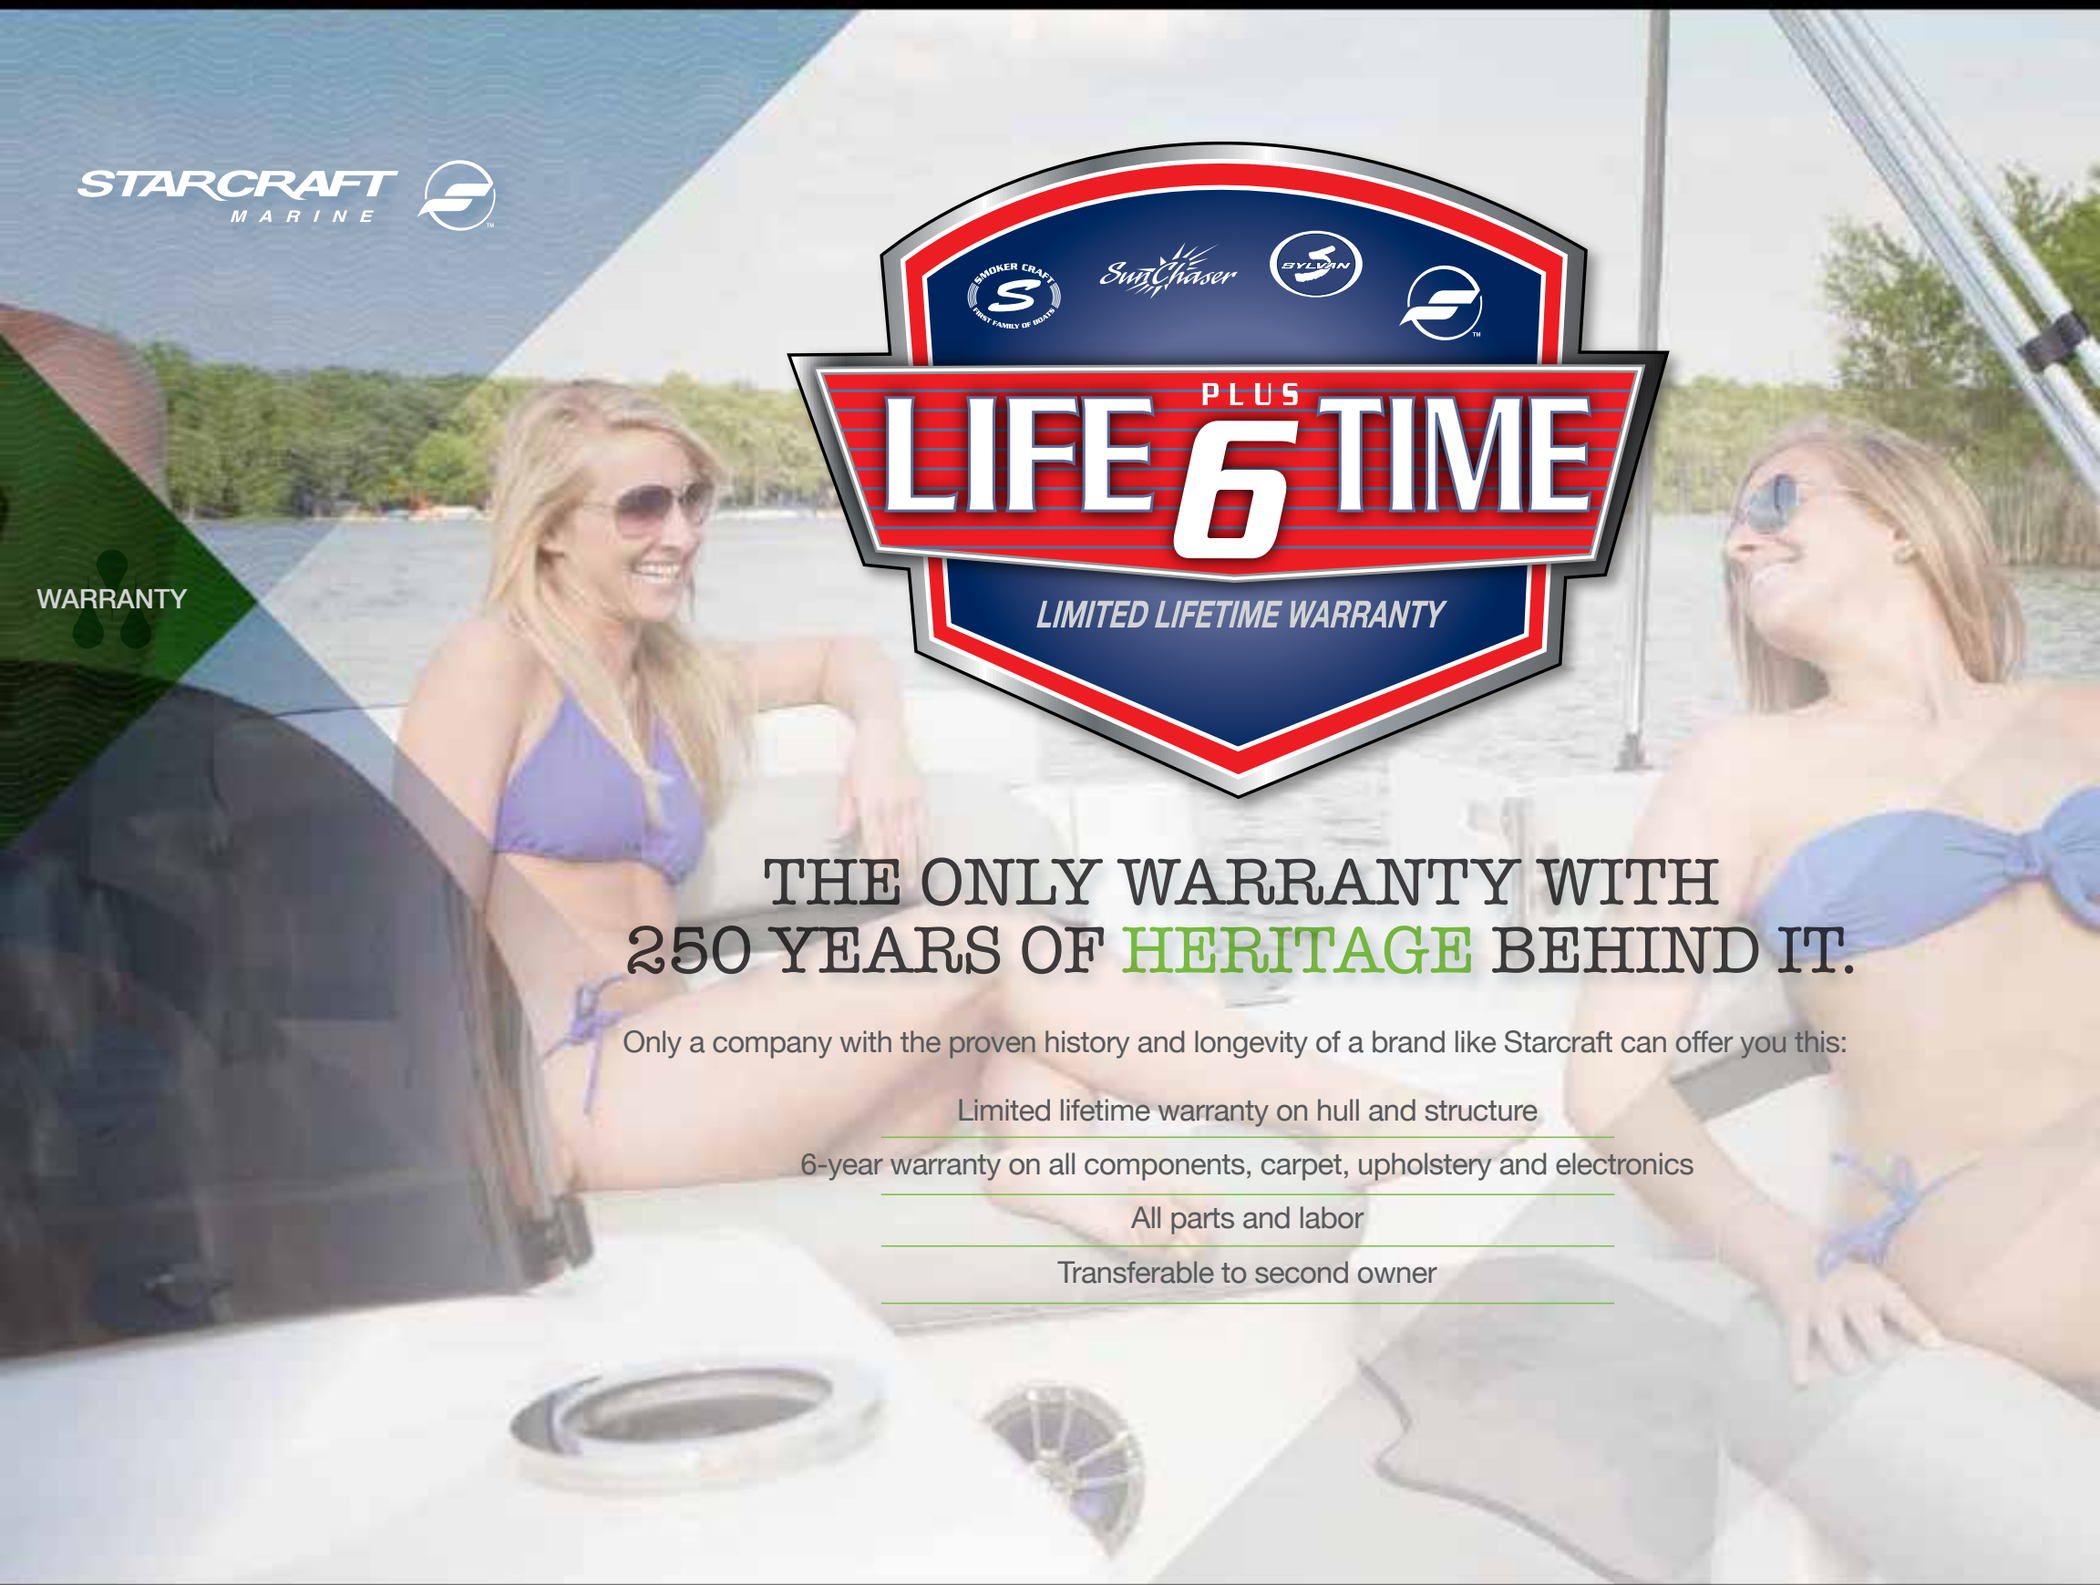
WARRANTY



THE ONLY WARRANTY WITH 250 YEARS OF HERITAGE BEHIND IT.

Only a company with the proven history and longevity of a brand like Starcraft can offer you this:

- Limited lifetime warranty on hull and structure
- 6-year warranty on all components, carpet, upholstery and electronics
- All parts and labor
- Transferable to second owner

A HERITAGE YOU CAN TRUST, NO MATTER WHERE THE WAVES TAKE YOU.

The water is a remarkable thing. It's your playground. It's your retreat. It's your best weekend ever. And a day on the water is always time well spent.

At Starcraft, we believe your best days are on the water, and we build boats that help you get the most out of them. For over a century, while other companies have come and gone, our family has continued to build a strong boating heritage.

Whether you're looking for performance, style or space for the whole family, Starcraft is dedicated to becoming part of your favorite memories. Because from "the big one," to "one more loop around," boating isn't just about finding fun – it's about sharing it with your favorite people. And it's our commitment to you.

No matter where the waves take you, we'll give you a hand. So climb aboard.

HAROLD A. SCHROCK
1915 – 2012

Every Starcraft boat is a tribute to the legacy of Harold Schrock. As our founder and family patriarch, Harold's resourcefulness, work ethic and values formed the foundation of Starcraft's heritage. His caring spirit and conscientious decision-making demonstrated his unwavering commitment to our customers, colleagues, employees, community and family. Harold was an inspiration every day. With every boat we build, we aim to make him proud.

CONSTRUCTION

MERCURY
#1 On The Water

> Fiberglass Construction

A ROOMY WALK-IN BOW provides comfy, spacious seating for four. Plus, it easily converts into lounges with reclining backrests for the ultimate in relaxation.

B DRIVER'S CONSOLE Luxuriously appointed helm station with ergonomically designed dash and helm seat.

C CLEAR VIEW SAFETY GLASS WINDSHIELD Stylish design keeps passengers dry and safe.

D 35 OZ. VINYL UPHOLSTERY Comfortable and strong, the upholstery features self-draining foam for lasting durability.

E SURE STEP SAFETY PLATFORMS Wide, secure swim platforms, both front and aft, feature deepwater ladders for safety and convenience.

F FAMILY FUN SEAT Aft lounger seat with "one touch" recliner feature – fun and simple to use.

G UNITIZED 2-PIECE HULL Top and hull are screwed and bonded together.

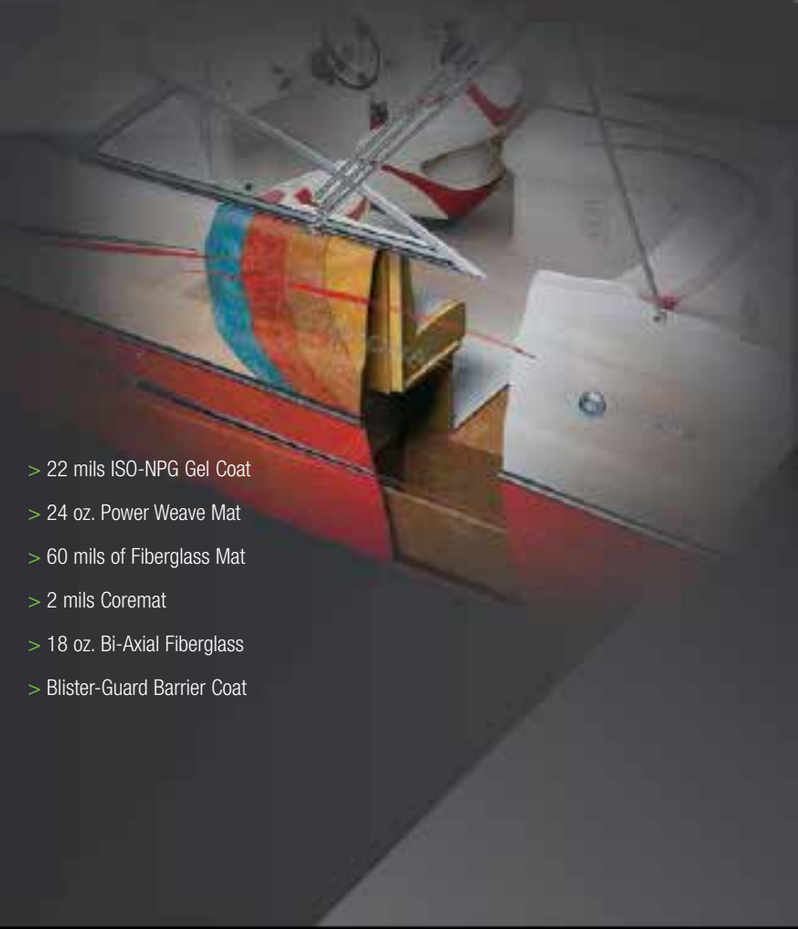
The layers of a better boat.

Starcraft fiberglass boats are painstakingly constructed to the most exacting standards. Learn more about the elements that add up to industry-leading quality.

> Integrated stringer system provides unmatched strength and durability. All components are encapsulated in fiberglass, and on all OB models the stringers are completely composite.

> Blister-guard barrier protects your boat from the elements and prevents gel coat blistering.

> Ten coats of wax are applied to the molds for consistent part quality. Layered 24-ounce woven roving power weave fiberglass mat is used with a 6-inch overlap between the hull and deck for enhanced strength and a tight fit. Next is the application of 22 mils of high luster gel coat and, finally, each hull is inspected and weighed for consistency.



> 22 mils ISO-NPG Gel Coat

> 24 oz. Power Weave Mat

> 60 mils of Fiberglass Mat

> 2 mils Coremat

> 18 oz. Bi-Axial Fiberglass

> Blister-Guard Barrier Coat

PERFORMANCE

SCX 240 I/O with Sport Package

Personalized Performance

Four hull designs let you cut the waves your way.

Whether you take to the water for sport, for speed or for socializing, your Starcraft boat will suit your sense of fun.

With four distinct hull contours, there's a Starcraft to fit your needs, whether you need superior handling, fast planing or smooth riding. So, no matter how you want to go – go ahead, define your own fun.

MODIFIED DIHEDRAL CAT HULL Deep, sharp center vee hull with side sponsons allows boat to pass through water with ease, provides stability at rest and features larger bow areas.

STAR STEP HULL This unique stepped hull incorporates a cutaway design with a longer running surface that results in faster planing, less bow rise and better performance with lower horsepower.

MODIFIED DIHEDRAL VEE HULL This revolutionary deckboat hull design virtually eliminates rough ride and rocking motion, while air injection vents provide the smoothest, driest and most stable ride possible.

RUNABOUT REVERSE CHINE HULL Starcraft runabouts deliver first-class performance, thanks to the reverse chine hull that pushes water down and away, providing impressive acceleration and cornering.
