STARCRAFT MARINE

WARRANTY

PLUS

LIFE 6 TIME

LIMITED LIFETIME WARRANTY

THE ONLY WARRANTY WITH 250 YEARS OF HERITAGE BEHIND IT.

Only a company with the proven history and longevity of a brand like Starcraft can offer you this:

- Limited lifetime warranty on hull and structure
- 6-year warranty on all components, carpet, upholstery and electronics
- All parts and labor
- Transferable to second owner

A HERITAGE YOU CAN TRUST, NO MATTER WHERE THE WAVES TAKE YOU.

The water is a remarkable thing. It's your playground. It's your retreat. It's your best weekend ever. And a day on the water is always time well spent.

At Starcraft, we believe your best days are on the water, and we build boats that help you get the most out of them. For over a century, while other companies have come and gone, our family has continued to build a strong boating heritage.

Whether you're looking for performance, style or space for the whole family, Starcraft is dedicated to becoming part of your favorite memories. Because from "the big one," to "one more loop around," boating isn't just about finding fun – it's about sharing it with your favorite people. And it's our commitment to you.

No matter where the waves take you, we'll give you a hand. So climb aboard.

HAROLD A. SCHROCK
1915 – 2012

Every Starcraft boat is a tribute to the legacy of Harold Schrock. As our founder and family patriarch, Harold's resourcefulness, work ethic and values formed the foundation of Starcraft's heritage. His caring spirit and conscientious decision-making demonstrated his unwavering commitment to our customers, colleagues, employees, community and family. Harold was an inspiration every day. With every boat we build, we aim to make him proud.

CONSTRUCTION

THE STARCRAFT DIFFERENCE

Starcraft fishing boats are as tough as the die-hards that rely on them. That's because we turned to the pros for advice. Both our aluminum and fiberglass fishing boats are designed and built with input from professional fishermen – the guys who are out there every day and know what it takes to be a winner.

Starcraft fishing boats are NMMA Certified and meet or exceed all U.S. Coast Guard requirements. But, we take it even further. Our fiberglass boats are painstakingly constructed to the most exacting standards for industry-leading quality and rugged durability. And, we only use the toughest aluminum out there – 5052 H34 marine grade – so our aluminum boats resist dents, dings and corrosion. Finally, we apply a multi-step painting and finishing process to every boat we make, so you look good while you're reeling them in, season after season.

NMMA® CERTIFIED using ABYC standards

Fiberglass Construction

1. MARINE GRADE 18 OZ. CARPET AND UPHOLSTERY designed to look great and last for years
2. SELF-DRAINING COCKPITS help keep the interior dry, even in rough water or from sporadic rain or showers
3. FULL FIBERGLASS LINER is installed inside the hull for added strength and great looks
4. LARGE BOW CASTING DECK/BENEATH-FLOOR STORAGE COMPARTMENTS in the bow give you plenty of room to maneuver when fishing and store tackle beneath, no matter what freshwater species you are targeting
5. SPACIOUS COCKPIT AND AFT STORAGE gives you plenty of room to store your tackle and equipment, as well as a large area to fish without feeling confined
6. FULLY INTEGRATED BOW IN DECK PRO-STYLE ROD LOCKER has the ability to store up to 10-plus fishing rod and reel combos, with room to spare, beneath the rod support storage system
7. LARGE 54", 32 GALLON AFT LIVEWELL & PORT BOW BAITWELL offers plenty of room to keep your fish alive and your bait fresh
8. 24 OZ. WOVEN ROVING FIBERGLASS is used with a 6-inch overlap between the hull and deck for enhanced strength and a tight fit
9. 22 MILS ISO-NPG GEL COAT is applied after the woven roving fiberglass for even more strength and durability
10. FOAM INJECTION the proper amount of fiberglass foam installation is injected throughout the entire stringer system
11. INTEGRATED STRINGER SYSTEM provides unmatched strength and durability – its components are encapsulated in fiberglass for enhanced protection and longevity

Aluminum Construction

1. POWER-TRAC HULL® combines machine-formed ribs with Torsion Beam Construction (TBC) for incomparable strength and better performance
2. 5052 H34 MARINE GRADE ALUMINUM resists dents, dings and corrosion for years of reliability
3. FOAM INJECTION between the floor and hull eliminates air and water pockets for greater buoyancy and reduced noise
4. FULL-LENGTH REVERSE CHINE keeps the bow down during acceleration for faster hole shots and improved cornering, providing a drier ride than most competitive lines
5. TBC STRINGER SYSTEM offers greater strength and resilience, flexing with the waves for a smoother ride
6. MACHINE-FORMED RIBS combined with our one-piece hull bottom without center seam, outperform other aluminum brands that use two-ply aluminum with a center seam
7. DOUBLE RIVETED SEAMS provide a tighter seal for increased structural integrity
8. 7-PLY PRESSURE TREATED FLOOR/DECK resists warping and other effects of dampness
9. MARINE GRADE CARPET AND UPHOLSTERY are designed for years of durability
10. PREMIUM ELECTRONICS includes J-Port for iPod/MP3 player
11. FULL FACTORY-INSTALLED INSTRUMENTATION AND OPTIONS standard on select models

POWER PACKAGE OPTION

- TROLLING MOTOR WITH QUICK DISCONNECT
- SONAR UNIT
- POWER PREP — FACTORY-RIGGED MOTOR & ACCESSORIES

PRO FISHING

TEAM STARCRAFT

Starcraft is proud to sponsor some of the most successful professionals competing at the national and local levels throughout North America, with numerous World Championships and Team of the Year titles to their credit. Starcraft fishing boats, like the STX Series, are developed with the team's feedback, as they push our boats to the limit. You can count on that same performance and reliability in your Starcraft boat — to help you fish like a pro.

FISHMASTER

FISHMASTER 196

210

196

Some models shown with optional equipment, including Trolling Motor and Sonar Unit.

Catch the spirit of the open water.

The widest beam. The deepest interior. The largest fuel capacity. The highest maximum horsepower. The most control in rough conditions. There's a reason we call this the ultimate big water fishing boat. No matter where you are, you'd rather be in a Fishmaster.

A **CONSOLE.** A true fisherman's friend, with easy-to-read lighted gauges, rocker switches, AM/FM J-Port, 12-volt power point and ample room for a sonar unit.

B **ROD STORAGE.** To complement the open floor plan and offer more space, rod storage is located on both the starboard and the port sides.

C **LIVEWELL.** A 41-gallon aerated livewell in the center of the bow keeps your catch fresh all day.

D **REMOVABLE JUMP SEAT.** The removable jumpseat can be easily removed for better access to the water, or stay in the stern for an additional passenger.

E **STERN SEATING.** With an open floor plan and four seats that come standard, you can have more anglers aboard.

STANDARD FEATURES

- Limited Lifetime Deck Warranty
- Limited Warranty on All Riveted Seams
- 7-Ply Pressure Treated Floor/Deck
- Slider on Helm Chair
- In-Floor Storage
- Mounted Rod Tracks
- Full-Length Splash Pan
- Convertible Rear Seating
- Center Bow 41-Gallon Livewell
- Full Vinyl Cockpit and Casting Platform for Easy Cleanup and Durablity
- Fisherman's Top and Boot
- Wraparound Windshield
- 4 Deluxe Wood-Free Fishing Seats

OPTIONAL FEATURES

- Sonar Unit
- 12/24 Volt Trolling Motor
- Battery Charger
- Additional Deluxe Fishing Seat
- High-Back Helm Chair
- Fuel/Water Separator
- Kicker Engine Pre Rig
- Snap-On Cover
- Full Enclosure (side, walk-through, aft and bow curtains)
- Snap-In Carpet
- Depth Gauge

Our commitment is catching.

At Starcraft, innovation runs in the family. In 1903, we began producing durable, galvanized steel rowboats. We continued the tradition in the 1960s by pioneering the manufacturing of fiberglass-hulled watercraft.

Five generations later, we're still proud to build boats whose engineering, design and construction continues to change the wake of the watercraft industry.

For you and your family, a Starcraft fishing boat comes with a commitment to quality that you can count on for years to come. Which means we'll be there – even when the waves are still, the shoreline is quiet and it looks like you're the only one out.

After all, when you're steering a Starcraft, we like to think of you as family. While some of us will make a living making boats, all of us will make memories on the water.

With every boat we build, we're sharing our passion. By building boats that stand the test of time, we help you celebrate yours.

CSI AWARD OF EXCELLENCE

Starcraft is honored to be a recipient of the NMMA CSI Award for Excellence in Customer Satisfaction for aluminum fishing boats. We dedicate the recognition to Starcraft owners across North America who inspire our ongoing commitment to quality and innovation.
