PONTOON SERIES

featuring HMX

STARCRAFT MARINE

WARRANTY

PLUS LIFE 6 TIME

LIMITED LIFETIME WARRANTY

THE ONLY WARRANTY WITH 250 YEARS OF HERITAGE BEHIND IT.

Only a company with the proven history and longevity of a brand like Starcraft can offer you this:

- Limited lifetime warranty on hull and structure
- 6-year warranty on all components, carpet, upholstery and electronics
- All parts and labor
- Transferable to second owner

A HERITAGE YOU CAN TRUST, NO MATTER WHERE THE WAVES TAKE YOU.

The water is a remarkable thing. It's your playground. It's your retreat. It's your best weekend ever. And a day on the water is always time well spent.

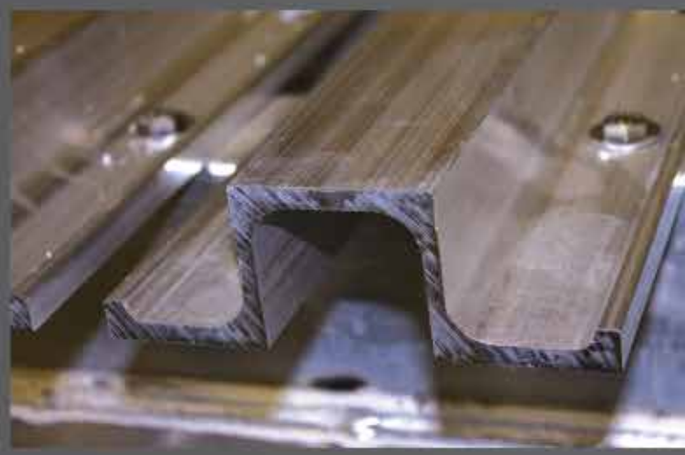
At Starcraft, we believe your best days are on the water, and we build boats that help you get the most out of them. For over a century, while other companies have come and gone, our family has continued to build a strong boating heritage. We take pride in the fact that our company will remain forever loyal to the employees, dealers and customers that have helped us get to where we are.

Whether you're looking for performance, style or space for the whole family, Starcraft is dedicated to becoming part of your favorite memories. Because from "the big one" to "one more loop around," boating isn't just about finding fun – it's about sharing it with your favorite people. And it's our commitment to you.

No matter where the waves take you, we'll give you a hand. So climb aboard.

With four generations of heritage and a loyal network of employees and dealers, you know we'll be here for generations to come.

CROSS CHANNEL CONSTRUCTION Provides superior chassis strength. The transom area is supported with up to 3/16" hat-channel construction using twice the amount of fixtures as other pontoons. This provides the strength needed to handle the high torque of today's large engines.



HAT-CHANNEL CONSTRUCTION It all begins with .250 (heavy) and .125 (standard) gauge aluminum hat-channels that are 6" wide and secured with 8 bolts spanning across our 6" wide deck risers. This creates the widest base in the industry and gives our pontoons greater stability without adding unnecessary weight. Combine that with a .190 gauge aluminum transom that's through-bolted with up to 20 bolts and footed deck risers that prevent tube fatigue, and you see why Starcraft backs its industry-leading construction with a Limited Lifetime Warranty on every product.

CONSTRUCTION

Built to be better.

At Starcraft, decades of boat-building experience have taught us one thing for sure — if you want to see true quality, simply take a closer look. Compare our hat-channel construction and cross channels with the foundations of other pontoons. Count the fasteners. Note the gauge of aluminum. In short, look at the details and you'll see everything you need to know. Which brings us to the other thing that sets us apart from the crowd. It takes a relentless commitment to quality to make one great pontoon.

FENCE & RAILING Features foam backing to prevent rattling and fully welded and anodized railing to add strength. Anodized welds are never painted. It's all backed by a 6-year warranty.

Does your boat have our construction?

THE SHAPE OF STRENGTH

Other manufacturers use C-channel designs which can require more cross members and provide less strength than Starcraft's hat-channel construction. And with imbalanced weight distribution, C-channel cross members are less able to withstand the forces exerted on the pontoon year after year.

CONSTRUCTED FOR ENDURANCE 3/4", 7-ply pressure treated plywood through-bolted and screwed to the hat channels to create the strongest seams in the industry.

QUICK RELEASE BIMINI TOP Made of sturdy Vista canvas spanning 10 feet, our top also features 11/4" tubing with stainless fixtures for strength, quick release and drop-down tow mode for convenience, and solution-dyed polyester that's ultra wear resistant and color-fast to ensure color that lasts without bleeding.

THROUGH-BOLTED TRANSOM Made of up to .190 gauge aluminum and supported with up to 20 stainless bolts to handle today's higher horsepower engines.

4 POINT DECK TO HULL FUSION Starcraft deck brackets have 4 points of fusion for an extended area of contact with the tube. In addition to providing increased strength and support, this reduces frame twist and racking in rough water and guards against tube fatigue.

A **SPACERS** Between the fence bottom and the deck. They allow water to drain easily and cut drying time in half.

B **SUPERIOR UPHOLSTERY** Covered by a 6-year warranty. We use only the finest quality, UV stabilized, marine-grade 42 ml vinyl, automotive grade pigments and a Stain Resistant Topcoat. Herringbone backing provides "no-sag" recovery while biocide-treated foam and stainless fixtures add durability. To help it all last, our bases are designed with a moat system that directs water away from the seat and off the boat.

C **PROTECTED STERN BOARDING AREA** Synthetic teak or durable vinyl on all Starcraft pontoons. Either way, it provides a great place to dry off after swimming or tubing.

D **PREMIUM APPOINTMENTS** Include custom corner castings, padded interiors, LED lighting, pop-up cleats, mahogany accents, stainless hardware and extended swim platform.

E **EZ GATE LIFT** Incorporates safety and convenience with style. The ingenious heavy-duty piano hinge lifts up and out to create a safe environment that still only requires one hand for easy loading and unloading.

F **TUBES** Tubes are made with one-piece .080 gauge aluminum with full-length keels and sturdy deck risers. Backed by a Limited Lifetime Warranty.

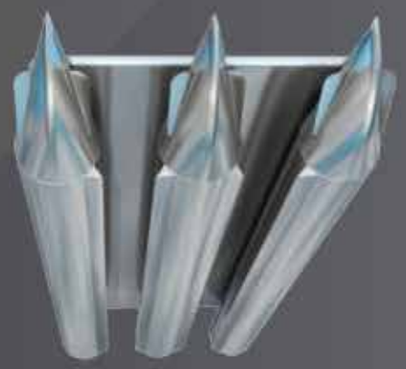
G **MULTIPLE FLOOR PLANS** Great configurations for cruising and fishing.

HMX

PERFORMANCE OPTIONS

"Starcraft's HMX pontoons are one of the best performing pontoon packages I've experienced. Not only are they fast, but they don't require overly high horsepower to get performance numbers. The ride they provide is smooth and comfortable in even the worst water conditions. I had a chance to put the HMX package through the ultimate test at the Thousand Islands Poker Run. Not only did we finish the run, but we even beat some of the other boats! I was able to go 40 mph in three foot waves and over boat wakes. When V-bottom boats had to slow down, I was able to keep on going."

Matt Spencer
Host Powerboat Television



A pontoon that does more than you ever thought possible.

Everything's better from a seat on a pontoon. As every boater knows, the water delivers a million ways to make a day wonderful. The freedom and flexibility of a pontoon is the perfect way to experience everything that a day on the water can offer.

The all-new HMX option from Starcraft makes your boat even more versatile, which makes your ride much more exciting. It's the smart, simple innovations that let you do so much more, like strategically placed strakes that allow the tube to dig and pivot with ease, so you can circle quickly to rejoin a downed skier.

From angle and placement to size and shape, the tubes on an HMX are designed with performance in mind, offering better lift, less surface drag, increased speed, faster planing and a tighter turning radius. Add a higher horsepower to the engineering equation, and you'll do more in a pontoon than you ever thought possible.

When you choose a Starcraft pontoon, the future always looks promising. If you crave the personality of a ski boat, but appreciate the practicality of a pontoon, choosing an HMX truly lets you chart your own course.

HMX

Unmatched performance.

SLS 5

SLS 3

Performance priced right.

With the SLS, you're getting more than a pontoon – you're getting a versatile boat that was constructed with all-around better performance in mind. All SLS models get a standard third tube with HMX, a full fiberglass console and a spacious interior that makes for a superior ride with the entire family. Not only is the SLS fast enough for all of your tow sports, but it is equipped with a sporty gray interior, sea weave covered rear deck and a seating configuration that keeps everyone in the action.

A **CONSOLE.** Cruise in style with a full fiberglass console with chrome-accented gauges, lighted rocker switches and a spoked steering wheel.

B **HELM CHAIR.** Relax in a plush, comfortable high-back helm chair with retractable armrests.

C **LOUNGE ARM CHANGE ROOM.** Spend all day out on the water with this convenient lounge arm change room that also has space for an optional Porta Potti.

D **STANDARD THIRD TUBE WITH HMX.** Every SLS model comes standard with a third tube with HMX, which allows you to be the fastest and most versatile boat on the water.

E **REAR LOUNGE.** Seat the whole family comfortably in a lounge that wraps along the rear of the boat, allowing for great forward and rear-facing views of the water.

STARDECK
FISH

STARDECK 236 CNF

A pontoon that does it all.

The Stardeck Fish is more than just a fishing boat or a place to cruise – it's a perfect combination of both. A roomy livewell and rod storage area offer the perfect places to keep your gear and catch, while plush seating allows you to sit back and enjoy cruising the open water with the entire family.

A **CONSOLE.** Cruise in style with a full widescreen console station, chrome-accented gauges with lighted toggle switches and spoked steering wheel.

B **FISHING SEAT.** Sit back and relax in a plush, comfortable chair that allows you to swivel to face the best fishing spot.

C **LIVEWELL.** Keep your catch fresh in a roomy aerated livewell, and you'll be free to keep enjoying your day (NA on 190).

D **ROD STORAGE.** Conveniently stow up to four rods in this secure, lockable rod storage area.

E **FURNITURE.** Take comfort in the softness of 32 ml Ultimate SS Sand Dollar Vinyl, and take along a drink in recessed cup holders.

STANDARD FEATURES

- Docking Lights
- Rear Vinyl Boarding Station
- 8' 6" Bimini Top
- 22 oz. Carpet
- Ultimate SS Sand Dollar Vinyl
- AM/FM Stereo with J-Port for MP3 Player
- Removable Fiberglass Table
- 3-Step Rear Boarding Ladder
- Rear Fishing Station (all fishing models except 190)

- Trim Gauge
- Depth Gauge
- GPS
- Underwater Lighting
- Babbito Underdeck Lighting
- Hydraulic Steering (NA on 190)
- Round Center Tube
- HMX Performance Strakes
- PTS Tube
- 4-step telescoping ladder
- GLS Package
- Weekender Package:
  - 28 oz. Carpet Upgrade
  - High-Back Helm Chair
  - Mood Lighting
  - Cooler Storage Table

OPTIONAL FEATURES

- Porta Potti
- Table Kit
- Ski Tow
- Playpen Cover
- Full Camper
- Half Camper
- Double Top
- Boarding Area

FLOORING OPTIONS

- Synthetic Teak Flooring in Rear
- V-Teak Rear Boarding Area
- Sea Weave Rear Boarding Area
