STARCRAFT MARINE

PLUS LIFE 6 TIME

LIMITED LIFETIME WARRANTY

WARRANTY

THE ONLY WARRANTY WITH 250 YEARS OF HERITAGE BEHIND IT.

Only a company with the proven history and longevity of a brand like Starcraft can offer you this:

- Limited lifetime warranty on hull and structure
- 6-year warranty on all components, carpet, upholstery and electronics
- All parts and labor
- Transferable to second owner

A HERITAGE YOU CAN TRUST, NO MATTER WHERE THE WAVES TAKE YOU.

The water is a remarkable thing. It's your playground. It's your retreat. It's your best weekend ever. And a day on the water is always time well spent.

At Starcraft, we believe your best days are on the water, and we build boats that help you get the most out of them. For over a century, while other companies have come and gone, our family has continued to build a strong boating heritage. We take pride in the fact that our company will remain forever loyal to the employees, dealers and customers that have helped us get to where we are.

Whether you're looking for performance, style or space for the whole family, Starcraft is dedicated to becoming part of your favorite memories. Because from "the big one" to "one more loop around," boating isn't just about finding fun – it's about sharing it with your favorite people. And it's our commitment to you.

No matter where the waves take you, we'll give you a hand. So climb aboard.

With four generations of heritage and a loyal network of employees and dealers, you know we'll be here for generations to come.

250 SCX I/O

> Fiberglass Construction

A ROOMY WALK-IN BOW Provides comfy, spacious seating for four. Plus, it easily converts into loungers with reclining backrests for the ultimate in relaxation.

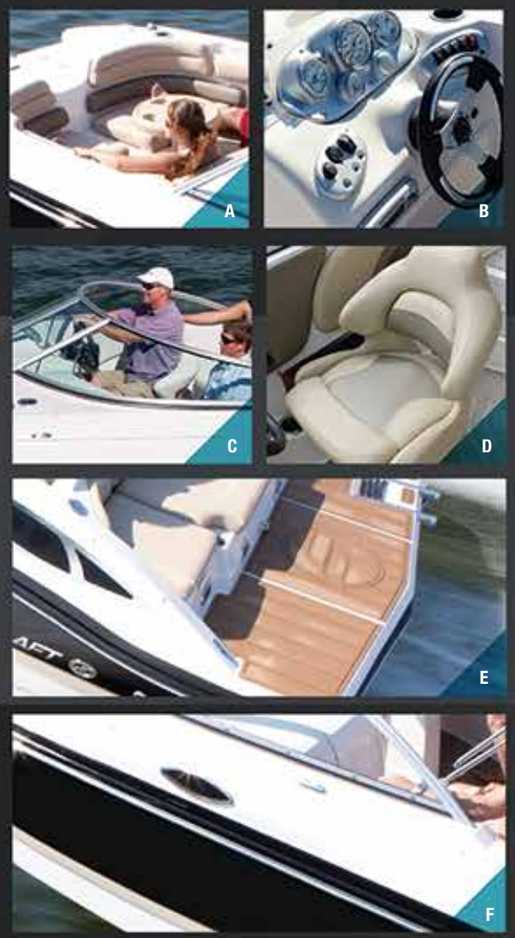
B DRIVER'S CONSOLE Luxuriously appointed helm station with ergonomically designed dash and helm seat.

C CLEAR VIEW SAFETY GLASS WINDSHIELD Stylish design keeps passengers dry and safe.

D 35 OZ. VINYL UPHOLSTERY Comfortable and strong, the upholstery features self-draining foam for lasting durability.

E SURE STEP SAFETY PLATFORMS Wide, secure swim platforms, both front and aft, feature deepwater ladders for safety and convenience.

F UNITIZED 2-PIECE HULL Top and hull are screwed and bonded together, creating the added strength needed to secure your lifetime hull warranty.



The layers of a better boat.

Starcraft fiberglass boats are painstakingly constructed to the most exacting standards. Learn more about the elements that add up to industry-leading quality.

> Integrated stringer system provides unmatched strength and durability. All components are encapsulated in fiberglass, and on all OB models the stringers are completely composite.

> Blister-guard barrier protects your boat from the elements and prevents gel coat blistering.

> Ten coats of wax are applied to the molds for consistent part quality. Layered 24-ounce woven roving power weave fiberglass mat is used with a 6-inch overlap between the hull and deck for enhanced strength and a tight fit. Next is the application of 22 mils of high luster gel coat and, finally, each hull is inspected and weighed for consistency.

> 22 mils ISO-NPG Gel Coat

> 24 oz. Power Weave Mat

> 60 mils of Fiberglass Mat

> 2 mils Coremat

> 18 oz. Bi-Axial Fiberglass

> Blister-Guard Barrier Coat

PERFORMANCE

230 SCX I/O Shown with Sport Package

Personalized Performance

Four hull designs let you cut the waves your way.

Whether you take to the water for sport, for speed or for socializing, your Starcraft boat will suit your sense of fun.

With four distinct hull contours, there's a Starcraft to fit your needs, whether you need superior handling, fast planing or smooth riding. So, no matter how you want to go – go ahead, define your own fun.

MODIFIED DIHEDRAL CAT HULL Deep, sharp center vee hull with side sponsons allows boat to pass through water with ease, provides stability at rest and features larger bow areas.

STAR STEP HULL This unique, stepped hull incorporates a cutaway design with a longer running surface that results in faster planing, less bow rise and better performance with lower horsepower.

MODIFIED DIHEDRAL VEE HULL This revolutionary deckboat hull design virtually eliminates rough ride and rocking motion, while air injection vents provide the smoothest, driest and most stable ride possible.

RUNABOUT REVERSE CHINE HULL Starcraft runabouts deliver first-class performance, thanks to the reverse chine hull that pushes water down and away, providing impressive acceleration and cornering.

211 SCX I/O

LIMITED 2321 I/O

STAR STEP 220 I/O

Superior product. Superior commitment.

At Starcraft, innovation runs in the family. In 1903, we began producing durable, galvanized steel rowboats. We continued the tradition in the 1960s by pioneering the manufacturing of fiberglass-hulled watercraft.

Four generations later, we're still proud to build boats whose engineering, design and construction continues to change the wake of the watercraft industry.

For you and your family, a Starcraft sport boat comes with a commitment to quality that you can count on for years to come. That means we'll be there — even when the waves are still, the shoreline is quiet and it looks like you're the only one out.

After all, when you're steering a Starcraft, we like to think of you as family. While some of us will make a living making boats, all of us will make memories on the water.

With every boat we build, we're sharing our passion. By building boats that stand the test of time, we help you celebrate yours.
