STARCRAFT MARINE

2019 **FISHING SERIES**

FISHING. IT'S IN OUR BLOOD.

While plenty of companies sell aluminum fishing boats today, we've been building them since 1903. That's when a young visionary named Arthur Schrock hand-crafted the very first boat for the company that went on to become Starcraft. Before long, Starcraft boats established an international reputation for their smooth, dry ride, their innovative fishing features, and their exceptional build quality. We set the standards among North American boat builders with breakthrough designs and countless industry firsts – including our exclusive Lifetime +6 warranty. We're proud of our heritage, and the timeless values that continue to guide us forward today.

Now led by the fourth generation of the Schrock family, Starcraft Marine continues to lead the industry with innovative interior layouts that maximize interior space and high-performance hulls that deliver exceptional strength, fuel economy and performance. That's why so many top professional guides and touring pro anglers across North America rely on Starcraft when there's money on the line. We work closely with a select team of top anglers and apply their knowledge and input across our entire lineup, bringing pro features to great models that fit every budget.

While a lot has changed over the past 116 years, what has remained steady is our unwavering commitment to quality and innovation. We invite you to explore the 2019 lineup and see why generation after generation of serious anglers continue to rely on Starcraft. Because when fishing's in your blood, only the best will do.

THE INDUSTRY'S BEST WARRANTY. **PERIOD.**

- Limited lifetime warranty on hull and structure
- 6-year warranty on all components, carpet, upholstery and electronics
- All parts and labor
- 100% administered by Starcraft Customer Service Department
- Transferable to second owner

The only warranty with 250 years of heritage behind it.

OUR COMMITMENT TO YOU: SUPERIOR CRAFTSMANSHIP.

As passionate anglers, we know firsthand all the things that create a better fishing experience. It starts with better materials, superior construction methods and innovative hull designs that deliver the very best ride and handling in all types of water. It also means delivering better fishing foundations: larger bow platforms, state-of-the-art livewells, exciting consoles and plenty of secure rod storage. And it's topped off with top-quality factory-installed features and an impressive, durable paint finish that's worthy of carrying our name.

HEAVY GAUGE ALUMINUM is de-coiled into flat sheets that are ready to be cut, bent and molded for production.

CNC ROUTED parts are cut out on a router to the exact dimensions to fit perfectly into every boat.

ONE-PIECE ALUMINUM BOTTOM is folded and molded to the greatest intrinsic shape.

RIVETED for superior strength, allowing the flexing needed for a smooth, dry ride.

5052 H34 Marine grade 100-gauge aluminum resists dents, dings and corrosion for years of reliability.

THROUGH-BOLTED TRANSOM BRACES allow for the high horsepower engines.

POWER-TRAC HULL® combines longitudinal, machine-formed ribs with Starcraft's exclusive Torsion Beam Construction (TBC) stringer system that flexes with the waves instead of against them, providing greater strength and a smoother ride.

7-LAYER MARINE GRADE PLYWOOD FLOORS injected with urethane foam deliver maximum buoyancy, and all carpet and vinyl is installed with spray adhesive to avoid any loose fitting materials.

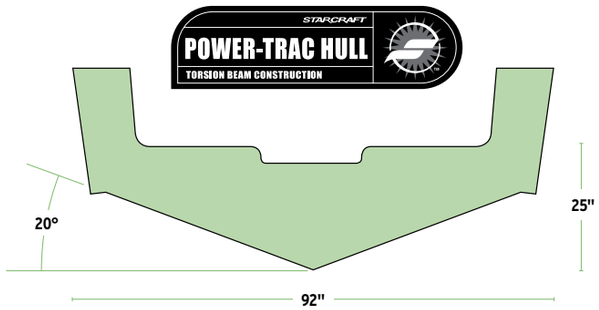
FULL PAINTED HULLS are primed before painting and baked twice to provide showroom looks for years to come.

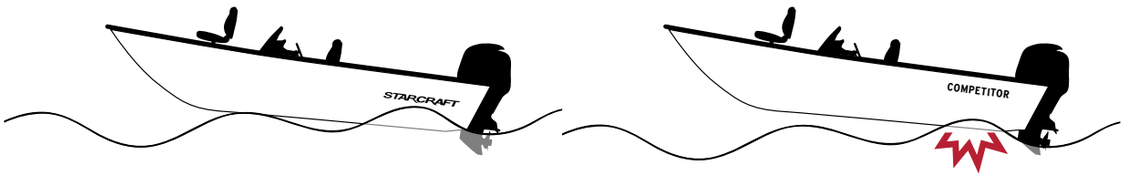
ALL DECALS are installed by hand, giving the boat a finished look that is unmatched.

STARCRAFT
POWER-TRAC HULL
TORSION BEAM CONSTRUCTION

EXCLUSIVE PERFORMANCE OF THE POWER-TRAC HULL®

Starcraft's legendary Power-Trac Hull uses our exclusive Torsion Beam Construction (TBC) stringer system and a high degree of deadrise to deliver the smoothest, driest ride you can get. Longitudinal machine-formed ribs flex with the chop to minimize pounding in heavy waves for truly game-changing performance.

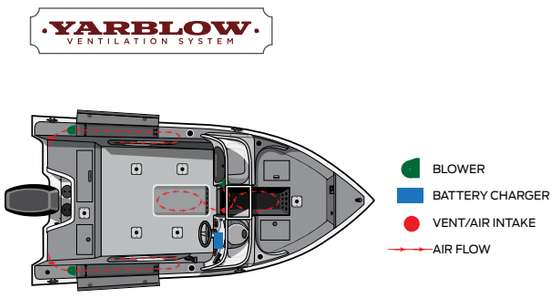




SOFT & SMOOTH RE-ENTRY: When it comes to rough water, a great ride depends on the re-entry of a boat. Starcraft's exclusive Power-Trac Hull and aggressive deadrise at transom in combination account for one of the softest rides in rough water.

YARBLOW VENTILATION SYSTEM

Starcraft is proud to offer the exclusive Yarblow Ventilation System that better protects your expensive fishing gear and tackle by preventing rust and corrosion. Yarblow uses pressurized air to eliminate mold and mildew in the bilge and dry storage areas resulting from humidity and normal precipitation. It's all part of our commitment to providing peace of mind and giving you more value for your investment.



STATE-OF-THE-ART LIVEWELLS: CONVENIENT, RELIABLE

You can count on Starcraft for large-capacity, state-of-the-art aerated livewells to hold your catch and keep it fresh all day. Select models feature an aerated, timed and recirculating livewell with an integrated baitwell and oxygenator.

FRESHCATCH LIVEWELL:
Our aerated livewells are timed for convenience and feature a PowerStream nozzle, a single bilge and black thru-hulls.

FRESHCATCH PRO LIVEWELL:
Our pro livewells are aerated and timed, plus they feature a recirculating pump to move more water and oxygen into the tanks to keep fish active. Highlights include a PowerStream aerator, black thru-hulls and PowerStream nozzle.

PLUS LIFE 6 TIME
LIMITED LIFETIME WARRANTY

You can count on Starcraft fishing boats to be backed by the industry's best warranty. The exclusive Lifetime +6 warranty provides a limited lifetime warranty on the hull and structure and a 6-year warranty on all components, including carpet, upholstery and electronics. The warranty covers all parts and labor and is transferable to a second owner.

BOW PLATFORMS

Starcraft fishing boats feature wide beams and large, open casting platforms. Flush in-floor storage and livewells give you unobstructed space for maneuvering. And the enhanced interior depth of our deep-V hulls provides added safety in rough conditions.

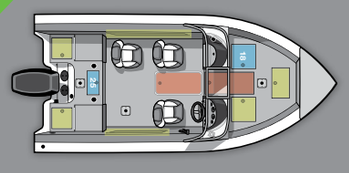
CONSOLES

Starcraft deluxe consoles are sleek and contemporary with sports car styling and ergonomic comfort at the helm. Select models feature a full array of fog-free gauges, hydraulic steering, lighted rocker switches, and space to conveniently mount a sonar unit.

ROD STORAGE

Our rod storage spaces are designed to give you the ability to take and easily access all your favorite gear. Select models feature lockable bow in-floor center storage that safely stows up to eight rods.

OVERHEAD KEY



THE CHOICE OF THE PROS.

Starcraft is proud to work with an elite team of top professional guides and leading tournament anglers competing at both the local and national level throughout North America. With numerous World Championship and Team-of-the-Year titles to their credit, Team Starcraft anglers demand nothing less than the highest level of performance and reliability, day after day. These anglers share their experiences and insights with our engineers, providing tremendous feedback from real world, on-the-water experience. It's the kind of insider knowledge that helps us to continually fine-tune our designs and build better boats that anglers can take pride in.

STARCRAFT FISHING SERIES

FISHMASTER

Fishmaster's wide beam, spacious interior, generous fuel capacity, 41-gallon FreshCatch Livewell and ability to handle big horsepower make it the ultimate big water fishing machine. An oversized cockpit and a big bow casting deck let this boat do anything.

STX

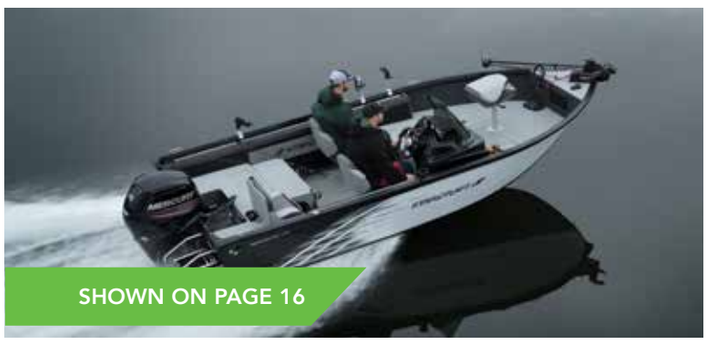
Master of versatility, the tournament-ready STX features a spacious open floor plan, huge raised bow deck, twin extra-large FreshCatch Pro Livewells and a deep, open cockpit, making it the ultimate multi-species platform. No wonder it's the choice of tournament pros!

TITAN

Put more action in your next excursion with Titan. Looking for an adaptable multi-species rig that can do it all, but in a slightly smaller package that's easy to tow? Titan handles big water and has plenty of space for gear, yet still launches easily off unimproved ramps.

SUPERFISHERMAN

Need an all-out fishing boat that can still comfortably accommodate the whole family for all-day fun on the water? Look no further. Superfisherman blends serious fishing credentials into a comfortable and roomy package that the whole family will love.



RENEGADE

Die-hard outdoorsmen, you've met your match in the rugged and reliable Renegade. Whether you're loading a surplus of gear and shoving off for the pre-dawn catch or stealing away for an all-day outing, this layout adapts to your every need.

STEALTH

Step up to a Stealth and enjoy a world of great fishing at an unbeatable value. Legendary quality and reliability mean this is a boat you're sure to pass down to the next generation.

PATRIOT

Everything you need and nothing you don't is the mantra of the Patriot series. A best value that delivers the best of times on the water, all your bases are covered in this rugged, reliable craft.

FISHMASTER

FISHMASTER 196 • Shown with Optional Equipment and Sonar Unit

BIG WATER = **BIG FISH.**

With its deep-V Power-Trac Hull, massive freeboard and wide, flaring bow to keep spray out of the boat, Fishmaster is the big-water angler's ultimate choice. The massive, open cockpit offers plenty of interior depth and the protection of a full windshield for all-weather comfort out on the big water. Roomy port and starboard rod storage and removable jump seats give this ride incredible convenience and versatility, while its iron-tough all-vinyl flooring makes cleanup a snap. Want to stop and cast? Fishmaster still offers a raised bow deck, complete with a mounting pad for an electric motor. No boat delivers greater big-water versatility.

THE TOURNAMENT **CHAMPION.**

Designed with some of the top tournament anglers and professional guides in the country, Starcraft STX starts with our legendary Power-Trac Hull for exceptional performance and a smooth, dry ride in even the roughest water. Then we created a spacious interior layout designed for maximum versatility, with a raised front casting deck, a full walk-through windshield for all-weather comfort, and a deep cockpit for open water trolling. Finally, we added thoughtful appointments like twin oversized FreshCatch Pro Livewells, a spacious in-floor locking rod compartment and even a high-pressure washdown system. For anglers who want versatility, high performance and pro tournament amenities, the choice is STX.

FISH HARD.
PLAY HARD. REPEAT.

Wake up at dawn for that early topwater bite, and remind the bass who's boss. Grab the family for a refreshing swim or a ride on the tube, and perhaps an afternoon picnic on the sandbar. Enjoy an after-dinner cruise with the in-laws, then put the hurt on a couple of walleye as the sun goes down. That's just a typical day for Starcraft's Superfisherman, a versatile, comfortable family boat that's equally at home at the cottage or the weekend tournament. Its flexible layout, unmatched creature comforts and eye-popping performance ensure you'll enjoy more smiles per mile than any other boat on the lake.

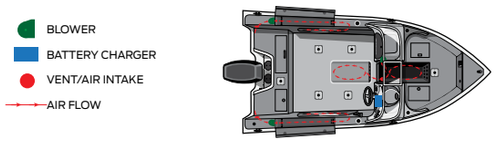
TAKE NO **PRISONERS.**

It's like having a top-of-the-line tournament boat but without the top-of-the-line price tag. Starcraft Renegade puts pro features like twin FreshCatch Livewells, a big raised bow casting deck, locking in-deck rod storage, additional top-loading rod storage and a pro-style console with plenty of space for electronics within reach of any angler. Choose from side console or dual console floor plans and enjoy a wide range of available upgrades like a flip-down stern bench seat or a stainless steel three-step boarding ladder to customize Renegade exactly as you like.

YARBLOW VENTILATION SYSTEM

Starcraft is proud to offer the exclusive Yarblow Ventilation System that better protects your expensive fishing gear and tackle by preventing rust and corrosion. Yarblow uses pressurized air to eliminate mold and mildew in the bilge and dry storage areas resulting from humidity and normal precipitation. It's all part of our commitment to providing peace of mind and giving you more value for your investment.



(Available with the Renegade 178 and 188 Models Only)

LET'S GO FISHING.

Patriot was made for anglers who want a no-nonsense fishing boat that's big on value. With a long list of standard features like convenient, lockable rod storage, a spacious raised casting deck in the bow complete with a mounting pad for an electric motor, a big 21-gallon FreshCatch Livewell and even a Humminbird PiranhaMAX 4 sonar unit, Patriot really delivers. Choose from side console or tiller floor plans and get out there – the fish are waiting!

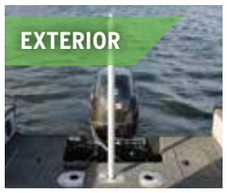
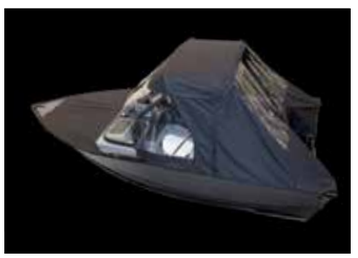
FEATURES & OPTIONS





INTERIOR

- Kicker KMC10 Stereo with Bluetooth®
- JENSEN MS3A with Bluetooth®
- Depth Gauge
- Trim Gauge
- In-dash GPS/Fish Finder
- Snap-in Carpet
- On-board Battery Charger

PREMIUM STEERING

- Ask your dealer how you can optimize your boat's steering with premium steering options
- Yarblow Ventilation System (Renegade 178 & 188 Only)

EXTERIOR

- Ski Pylon
- Three-step Boarding Ladder
- Convertible Rear Bench Seat (Stealth Only)

SEATING

- Low Back Helm Chair (Standard in Fishmaster)
- Captain's Seat
- Bow Cushions
- Additional Pro Style Wood-free Fishing Seat
- Power Pedestal

FISHING

- Side Deck Mounted Aluminum Tracks with Plastic Step Pads
- Bow-mounted Trolling Motor
- Sonar Unit
- Dual Shifters

CANVAS

- Full Enclosure With Drop Down Curtain (Fishmaster Only)
- Full Enclosure
- Snap-on Mooring Cover
- Trailerable Ratchet Cover

AVAILABLE PACKAGES

ALL-WEATHER PACKAGE:

- Snap-on Mooring Cover
- Snap-in Carpet
- Fisherman's Top

POWER PACKAGE:

- Sonar Unit
- Trolling Motor
- Quick Disconnect

Bert's Custom Tackle

BERT'S CUSTOM TACKLE STARTER CRADLE PACKAGE:

- Two 2" Riser/Cradles
- Two 6" Riser/Cradles

ANGLER TUBE PACKAGE:

- Tool Holder
- Cup Holder
- Four Tube Rod Holders

BERT'S CUSTOM TACKLE ANGLER CRADLE PACKAGE:

- Tool Holder
- Cup Holder
- Two 2" Riser/Cradles
- Two 6" Riser/Cradles
- Two 10" Riser/Cradles

BERT'S CUSTOM TACKLE PRO PACKAGE:

- Tool Holder
- Cup Holder
- Two Rod Trees
- Two Rod Holder Tubes
- Two 2" Riser/Cradles
- Two 6" Riser/Cradles
- Two 10" Riser/Cradles
