PONTOON BOATS 2025

# BACKED BY FIVE GENERATIONS OF PRIDE.

For five generations and counting, the Schrock Family has shared a passion for the water by building high-quality boats that deliver innovative designs and exceptional value. Starcraft has led the boating industry for 122 years with an unmatched heritage of quality, innovation and craftsmanship.

Our commitment to excellence means that every Starcraft pontoon boat is built without compromise—every interior detail is designed to enhance your comfort, and every mechanical detail is engineered for unsurpassed durability and reliability. It's the reason we still build each and every Starcraft largely by hand, blending cutting-edge technology with timeless craftsmanship to achieve a level of customer satisfaction that is unmatched in the industry. It's a difference you can see, with our impeccable fit and finish, and it's a difference you can feel when you're out on the water.

Our loyal, experienced network of employees and dealers share our commitment to building the best boats on the water, backed by the finest service in the industry—starting with our exclusive Lifetime +6 warranty.

## SEE OUR RICH HISTORY

To celebrate Starcraft's rich history, we have assembled a historic timeline to demonstrate our evolution over the years. Check out the snippets throughout this catalog and be sure to scan the code to view the full timeline on our corporate website.

THE INDUSTRY'S  
BEST WARRANTY.  
PERIOD.

- Limited lifetime warranty on hull and structure
- 6-year warranty on all components and upholstery\*
- All parts and labor

- 100% administered by Starcraft Customer Service Department
- Transferable to second owner

The only warranty with 250 years of heritage behind it.

HMX TAKES PERFORMANCE INTO THE FAST LANE.

## PERFORMANCE PACKAGES

### BIG WATER EDITION

- Big Water Edition Graphic
- .100"-gauge Tubes & Nose Cones
- Solid Keel
- Heavy Splash Fin
- Air-tight Sealed Extruded Strakes
- Full "Heavy Hat" Construction

### COASTAL EDITION

- Coastal Edition Graphic
- .100"-gauge Tubes & Nose Cones
- Solid Keel
- Heavy Splash Fin
- Sacrificial Anode Composed of Proprietary Alloy
- Air-tight Sealed Extruded Strakes
- Full "Heavy Hat" Construction

### PTS PERFORMANCE PACKAGE

- Performance Shield
- PTS Center Tube
- Performance Strakes

### HMX PR25 PERFORMANCE PACKAGE

- Performance Shield
- PR25 .100"-gauge Center Tube with up to 60-gallon Gas Tank\*
- Performance Strakes
- Ski Tow
- SeaStar™ Hydraulic Steering
- Full "Heavy Hat" Construction

# LEGENDARY STARCRAFT PERFORMANCE

Starcraft offers a full selection of pontoon tube configurations, making it easy to select the perfect package to suit your boating needs. Lightweight twin tube configurations, with available performance shields and lifting strakes, deliver impressive performance and unbeatable value.

Tri-toon models offer even greater performance, or step up to a PTS or HMX Performance Package and enjoy better lift, less surface drag, increased speed, faster planing and a tighter turning radius that allows you to turn quickly to pick up a downed skier. Plus, when you add a higher horsepower engine to these innovative tube designs, you'll experience exhilaration you never dreamed possible in a pontoon—all covered by Starcraft's industry-leading Lifetime +6 warranty.

Mounting the HMX performance strakes on the inside of the outer tubes and on both sides of the middle tube delivers a tighter turning radius and faster planing that is ideal for all water sports and cruising.

## TRADITIONAL TUBE CONFIGURATIONS/CHARACTERISTICS

	TWO .080" GAUGE ROUND TUBES—Great for all-around boating	PERFORMANCE	LIFT	HANDLING	FUEL ECONOMY
	TWO .080" GAUGE ROUND TUBES WITH .060" ALUMINUM PERFORMANCE SHIELD—Great for all-around boating with improved water flow				
	TWO .080" GAUGE ROUND TUBES WITH .060" ALUMINUM PERFORMANCE SHIELD WITH LIFTING STRAKES—Great for all-around boating with improved water flow and high horsepower lifting performance				
	TWO .080" GAUGE ROUND TUBES WITH THIRD .080" PTS CENTER TUBE WITH ALUMINUM PERFORMANCE SHIELD—Two full-length outer tubes, plus a reduced-length center tube to incorporate a traditional transom, creates a lighter option for better performance and fuel efficiency at an affordable price				
	TWO .080" GAUGE ROUND TUBES AND .100" CENTER TUBE WITH .060" ALUMINUM PERFORMANCE SHIELD AND LIFTING STRAKES—Great for all-around boating with improved water flow, better handling, a smoother, more buoyant ride, high horsepower lifting performance				

\*PTS Center Tube does not increase standard horsepower or person capacity.

### PAINTED TUBE OPTION

Starcraft pontoon tubes are constructed with up to .100" gauge one-piece marine-grade aluminum. And now, with the painted tube option, you get the added durability provided by a combination of zinc chromate primer and urethane paint, which forms a corrosion-resistant surface.

Pontoon & Deckboat Magazine Innovation Award for Pontoon Performance for HMX Performance Strakes

# SIMPLY THE BEST.

Having a great time on the water starts with a boat that lets you focus on having fun. That's why we build every Starcraft pontoon on a foundation of three pillars that enhance every on-water experience: sophisticated real-world technology, luxurious and innovative comfort, and the freedom to personalize your Starcraft just the way you like.

## TECHNOLOGY

Our industry-leading design, meticulous attention to detail during every phase of construction and unmatched quality control at every step of the way let you relax and focus on having fun.

**WET SOUNDS AUDIO SYSTEM:** Quality marine loudspeakers, subwoofers, amplifiers and clean signals from well-engineered source units are built to withstand the harsh marine environment, while offering connectivity to all your media devices and multiple zone outputs. You will have full control of the sound throughout the boat.

### JL MM105

Optional on RX and SX Series

CONSOLE

SIMRAD MULTIFUNCTION DISPLAY

**SIMRAD NSS7:** Select Starcraft pontoon models are available with a state-of-the-art Simrad NSS7 multifunction touchscreen display, putting a wide range of features and controls right at your fingertips.

# COMFORT

Spending a day on the water doesn't mean leaving all the comforts of home behind. Everything about a Starcraft pontoon is designed for ease of use and your personal comfort.

**FURNITURE:** With exactly the right balance between cushiony luxury and firm support, our plush, oversized front and rear loungers and ergonomic helm chairs deliver all-day comfort – with the maintenance-free ease of marine-grade, high-quality vinyl upholstery with a stain resistant, weatherized coating.

**FLOORPLANS:** We offer a wide range of floorplan configurations to accommodate your whole crew, whether you're fishing, cruising, enjoying water sports or just hanging out at the sandbar with friends. Versatile rear loungers, stylish port seating, dual high back helm chairs and guest-friendly bar models provide a wealth of seating options.

**DL BAR:** Winner of the NMMA Minneapolis Innovation award, the innovative DL Bar allows you to easily convert your dual-facing lounge to a complete bar with four bar stools and six cupholders.

# CHOICE

Why settle for off-the-rack when you can have things just the way you like? Choose from a wide selection of floorplans, option packages and individual upgrades to personalize your Starcraft exactly as you wish.

**FLOORING:** Have it your way with a variety of woven vinyl flooring styles and colors

**COLORS:** From mild to wild, Starcraft offers a broad range of color options for interiors, panels, fencing and tubes.

**LED LIGHTING:** From variable tint mood lighting to courtesy LEDs to Babbito underdeck and underwater illumination, safety and convenience never looked so good.

**TUBES:** Choose from any of our exceptional pontoon configurations to create the package that's just right for your performance needs.

# MORE THAN SKIN DEEP

Great handling underway and reliability for years to come both start at the same place – under the floor, where the real engineering lives. Where other pontoons use inexpensive C-channel cross members, we use 6"-wide hat channels that provide far greater strength without adding weight. What's more, we secure each one of them to our 6" deck risers with no less than eight bolts for the strongest, most stable platform in the industry.

### CROSS-CHANNEL CONSTRUCTION

Provides superior chassis strength. The transom area is supported with up to 3/16" hat-channel construction using twice the number of fixtures as other pontoons. This provides the strength needed to handle the high torque of today's large engines.

### SUPERIOR CONSTRUCTION

Innovative manufacturing with advanced, automated tube-forming cells for superior construction and tube strength.

### DOES YOUR BOAT HAVE OUR CONSTRUCTION?

Other manufacturers use C-channel designs which provide less strength than Starcraft's legendary hat-channel platform, meaning they have a more difficult time withstanding the forces exerted on the pontoon year after year. Further, C-channel designs can suffer from imbalanced weight distribution and may require more cross members to achieve sufficient strength. Starcraft's hat-channel platform is the strongest on the water, bar none. That's why it's backed by our industry-leading Lifetime +6 warranty.

- A** — **HAT-CHANNEL CONSTRUCTION:** It all begins with strength points of .250" (heavy) and .125" (standard) gauge extruded aluminum hat channels that are 6" wide and secured with eight bolts spanning our 6" wide deck risers. This creates the widest base in the industry and gives our pontoons greater stability without adding unnecessary weight. Combine that with a .190"-gauge aluminum transom that's through-bolted with up to 20 bolts and footed deck risers that prevent tube fatigue, and you see why Starcraft backs its industry-leading construction with a Limited Lifetime Warranty on every product. (Heavy hat channel shown.)
- B** — **CONSTRUCTED FOR ENDURANCE:** 3/4", 7-ply pressure treated plywood through-bolted and screwed to the hat channels to create the strongest seams in the industry. (Heavy hat channel shown.)
- C** — **FENCE & RAILING:** Features foam backing to prevent rattling and fully welded and anodized railing to add strength. Anodized welds are never painted. It's all backed by a 6-year warranty.
- D** — **THROUGH-BOLTED TRANSOM:** Made of up to .190"-gauge aluminum and supported with up to 20 stainless bolts to handle today's higher horsepower engines.
- E** — **4-POINT DECK TO HULL FUSION:** Starcraft deck brackets have four points of fusion for an extended area of contact with the tube. In addition to providing increased strength and support, this reduces frame twist and racking in rough water and guards against tube fatigue.
- F** — **TUBES:** Our tubes feature air-tight construction with a completely welded-in baffle at each chamber, plus a drain at the bottom. A drain plug at the rear of the tube allows water to be completely removed from the tube if necessary.

# SX

## WHEN ONLY THE VERY BEST WILL DO

With its inspired design, opulent appointments and impeccable fit and finish, Starcraft SX sets the standard that every other pontoon aspires to follow. But this is no show boat—with its standard HMX PR25 Performance Package, SX delivers the kind of powerful acceleration, crisp handling and smooth ride that leaves other boats in its wake. Concealed mood lighting, a premium Bimini top, standard rear-facing speakers, Soft Touch upholstery, our exclusive convertible lounge arm galley, an upscale Gussi Italia® Rondinella steering wheel with power-assist steering, and top-line Simrad touchscreen electronics are just the beginning. With features like these, SX is your first choice when only the very best will do.

### STANDARD FEATURES

## WHERE LUXURY AND PERFORMANCE MEET

With its bold styling for 2025, Starcraft MX takes luxury and performance to all-new levels. A variety of floorplans with Starcraft's exclusive Soft Touch upholstery let you choose the seating layout that best suits your needs, while enjoying the elevated consoles with standard individual windscreens. A flush-mount Simrad touchscreen display and new V3 gauges grace the elegant helm, while a roomy extended deck, bow docking lights, fold-up cleats and handsome power canopy all come standard. Add the available sport arch, wake tower and an HMX PR25 Performance Package for the ultimate full-throttle power ride.

### STANDARD FEATURES:

- 25" Diameter Tubes with Lifetime Warranty
- 3/4" Marine-grade Plywood Deck with Lifetime Warranty
- All-aluminum Transom with Lifetime Warranty

**CX** CRUISE  
FISH

# IN A CLASS OF ITS OWN

We were tempted to describe the Starcraft CX pontoons as being the best in their class, but the reality is that they're in a class all of their own. From the stylish fencing and rail accents to the breathtaking consoles inspired by our immaculate SX series, our superior CX series delivers incredible comfort, style and value. Choose from a full range of Cruise models with plush pillow-top lounge seating throughout, or enjoy the added comfort of our double swingback stern seat. CX Fish models include ergonomic fishing seats, lockable rod storage and a fish station with an aerated livewell that's sure to please every angler in the family.

# MORE BELLS AND WHISTLES FOR YOUR BUDGET

Create the pontoon lifestyle you've dreamed of with the EX series. Step up to Starcraft style and comfort with spacious floorplans that feature cozy loungers and port-side seating along with a large Bimini top and a Wet Sounds MC-5 Stereo with Bluetooth. The EX Fish models ramp up the versatility with large livewells and lockable rod storage to keep your gear safe. And you can add your choice of outstanding optional upgrades, including HMX Performance Strakes, a ski tow and the advanced in-dash HELIX 5 navigation system.

#### STANDARD FEATURES:

- 25" Diameter Tubes with Lifetime Warranty
- 3/4" Marine-grade Plywood Deck with Lifetime Warranty
- All-aluminum Transom with Lifetime Warranty
- Change Room (N/A on All Models)
- Console Storage
- Deck Cleats
- Docking Lights
- Gauge Package (Speedometer, Tachometer, Fuel Gauge, Volt Meter)
- Low-back Helm Chair with Recline, Swivel, Slide and Armrests
- Playpen Cover
- Power Canopy

## TAKE IT EASY

Kick back and enjoy the summer sun with our 2025 LX series of versatile and affordable pontoons. Available in floorplans from 16' to 22', LX cruising models come with upgraded sea weave flooring, a custom-molded console and a Bimini top for protection from the sun, while fishing models include pedestal-mount fishing seats and a fully plumbed livewell. Add a Convenience Package or choose from appealing options like a fishfinder, a pop-up change room or a ski tow bar to personalize your LX exactly as you like.

## FUNCTIONAL ELEGANCE

The Starcraft GX Series combines style and versatility, featuring three distinct layouts to match your needs. Its high-performance polyethylene corners integrate smoothly with the side panels, creating a modern and sleek look that catches the eye on the water. With sturdy 23" diameter tubes, this pontoon boat offers exceptional stability and handling, perfect for both leisurely cruises and spirited adventures. The included bimini top provides generous shade on sunny days, while the durable sea weave flooring ensures comfort and easy upkeep. Whether you're hosting friends or enjoying a peaceful day on the lake, the Starcraft GX Series masterfully blends functionality with elegant design.

# BUILD YOUR BOAT

Starcraft builds a great pontoon, but only you can truly make it yours. Build your dream pontoon with our interactive boat builder! Choose your floorplan, panel colors, unholstery color, engine, packages and options, and see it all come together in real-time. When it's loaded up just the way you like it, save your boat specs or share them with a dealer who can help you make your custom pontoon a reality.

For an interactive experience, visit [starcraftmarine.com](http://starcraftmarine.com).
