Your Starcraft Dealer Is:

Starcraft Company is a member in good standing of the Boating Industry Association. All Starcraft boats meet or exceed the standards established by B.I.A. for flotation, fuel systems, ventilation, electrical and safety as evidenced by the B.I.A. seal affixed to every Starcraft boat. In addition to these rigid standards, Starcraft boats are in compliance with all Federal and State regulations regarding boat safety, construction and identification.

PLEASE READ CAREFULLY:
Dimensions, capacities, ratings and additional specifications plus complete warranty and service information are available from your Starcraft dealer. All product illustrations and data within this catalog are based upon information available at the time of publication. Due to publication errors, on-going product modifications and/or component part availabilities, Starcraft reserves the right to make changes without notice or obligation. You are advised to consult your local Starcraft dealer for most current product specifications prior to purchase.
Some of the equipment shown separately or on products illustrated in this catalog may be optional at extra cost.

We've Built More Pleasure Boats Than Anyone Else In The World!
